New Capital Bikeshare Station - Old Town North

A new Capital Bikeshare station will be installed at the intersection of N. Fairfax St. & Madison St. in Old Town North thanks to a partnership between the City of Alexandria and the United Way. A 15-dock station will be placed on United Way property thanks to an agreement with the United Way. This agreement means no parking will be removed to accommodate the station. This station will be installed in November 2016 and will increase the number of stations in the City from 30 to 31.
