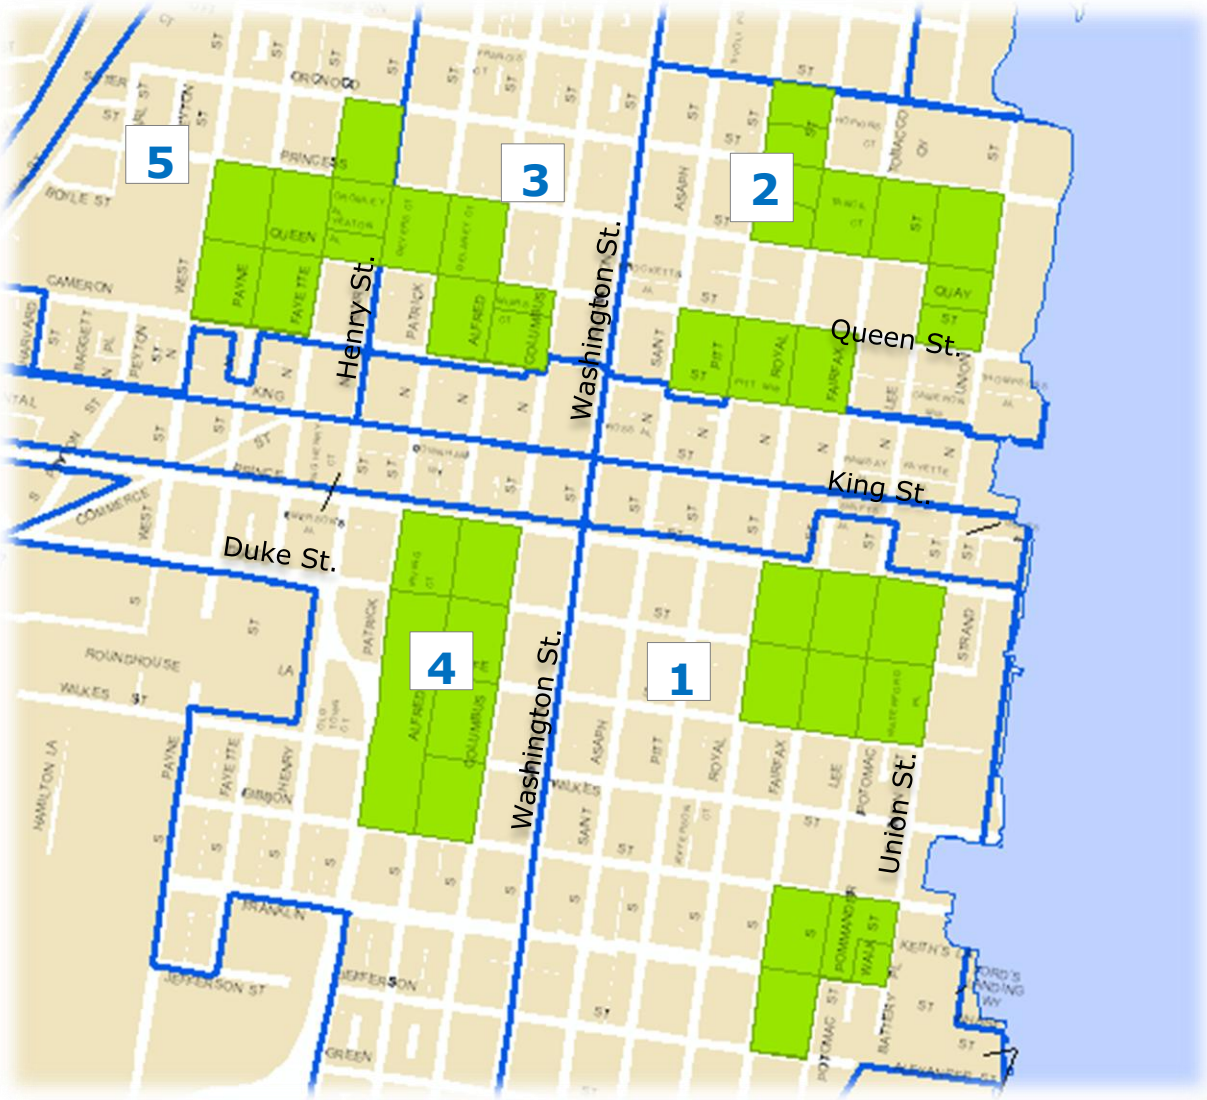
Residential Parking Permit Sample Survey



Meeting 2: July 17, 2012

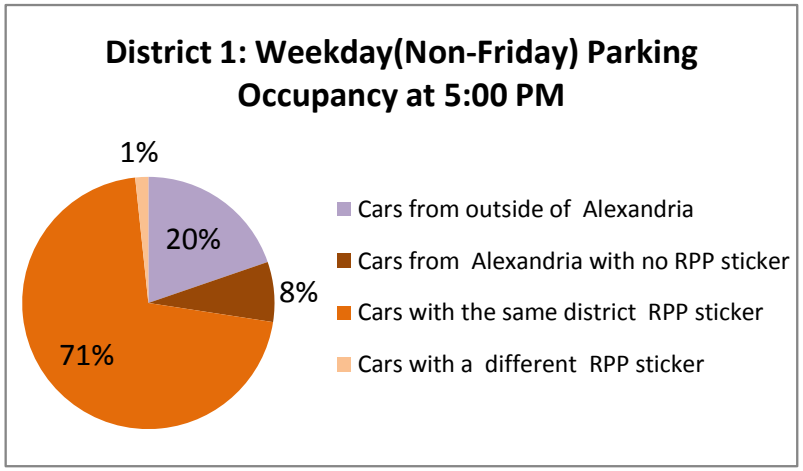
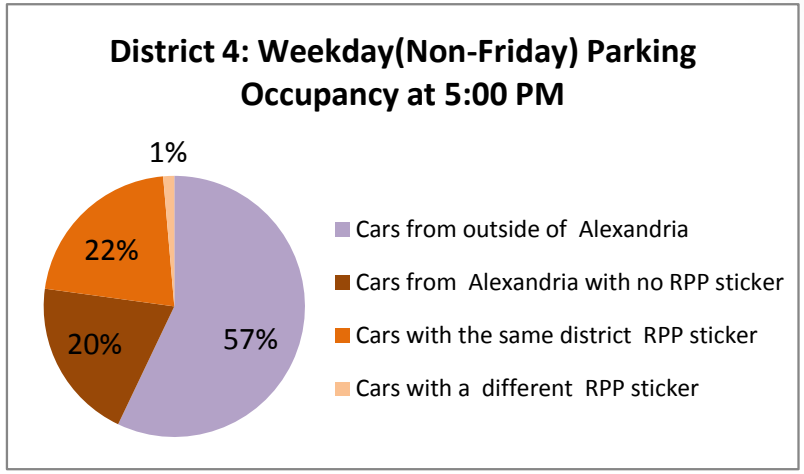
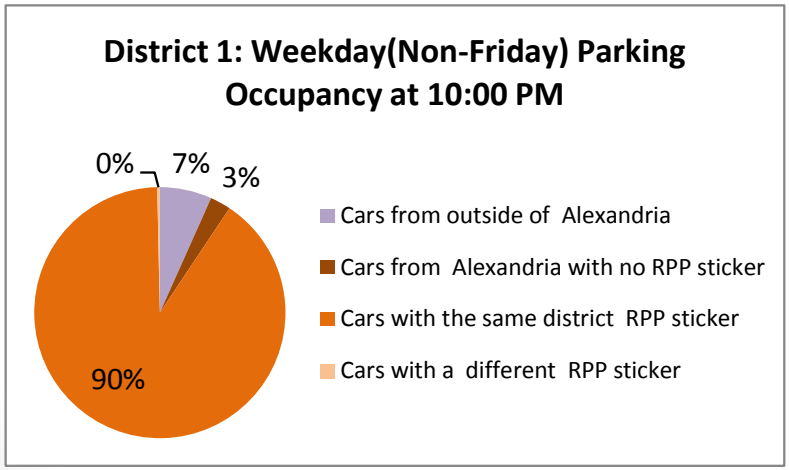
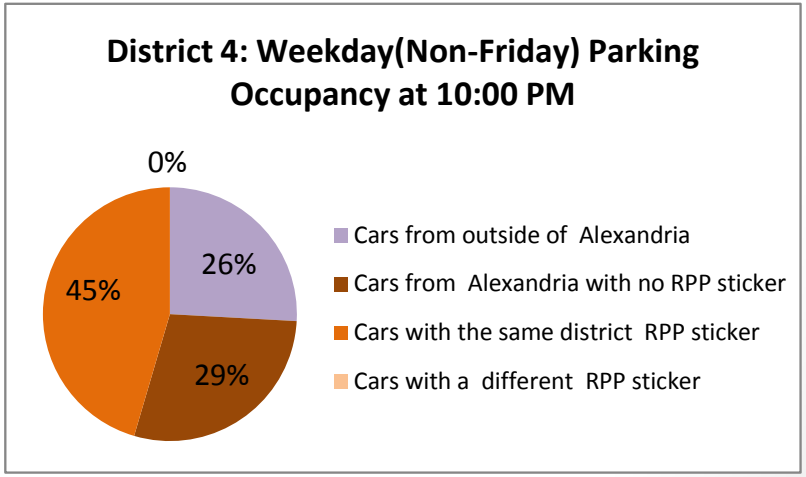
RPP Survey Results









Alternatives for Consideration

- Decrease allowable parking duration in the residential permit districts within three blocks of King Street to one hour for non-permit holders
- Install multispace meters on residential blocks within within three blocks of King Street (permit holders will be exempt from paying meter fees)

Alternatives for Consideration

- Resident Only parking after 6 PM within three blocks of King Street on one side of the street
- Resident Only parking after 6 PM within three blocks of King Street on both sides of the street

What Do Our Neighbors Do?
