Normal work hours authorized by a permit are Monday through Friday 7 a.m. to 5 p.m. and Saturday 9 a.m. to 6 p.m. except in an emergency or when otherwise noted on the permit. No work is permitted on Sundays. Work hours on rush hour routes are limited to 9 a.m. to 3:30 p.m. Monday through Friday. Any work to be performed outside of the above hours requires a Noise Permit from the Office of Environmental Quality. Per City Code section 11-5-5(a)(5)a work is not permitted on the following holidays: New Years Day (the first day of January) Memorial Day (the last Monday in May) Independence Day (July 4) Labor Day (the first Monday in September) Thanksgiving Day (the fourth Thursday in November) and Christmas Day (December 25).

The applicant is allowed to conduct construction activities relating to the metro rail project work at the site located at 2500 Potomac Greens from 8-4-22 through 11-30-22 from 6 PM to 7 AM, Monday through Sunday. The applicant is required to provide written notification to surrounding residences of the requested activities in advance and shall keep any construction related noise to a minimum as practically possible.

The conditions of this permit can be revised at any time if the City is to receive excessive noise complaints from the community.

This permit remains the property of the City of Alexandria's Transportation and Environmental Services Department and as such can be revoked at any time if deemed necessary by either the City Manager or Police Chief or the Director or the Deputy Director of the department or his/her designee.

NOISE VARIANCE PERMIT (Continued)

EXPIRES: 11/30/2022 12:00:00AM

4. This is not a PERMIT to generate excessive noise. Any equipment should be located and operated in such a manner as to be least intrusive to surrounding properties.
5. If the PERMIT was issued for the use of sound amplification equipment, the City Manager, Director of Transportation and Environmental Services, or their duly authorized representative including the Police Department, has the authority to determine the appropriate volume level of equipment. Failure to comply with an established volume level is cause for suspension and/or revocation of this PERMIT.

5. If the PERMIT was issued for the use of sound amplification equipment, the City Manager, Director of Transportation and Environmental Services, or their duly authorized representative including the Police Department, has the authority to determine the appropriate volume level of equipment. Failure to comply with an established volume level is cause for suspension and/or revocation of this PERMIT.
6. The PERMIT must be posted at the location of the permitted activity and made available upon request to any City representative. Failure to provide a valid PERMIT upon request will result in the cessation of any activity which does not comply with the Noise Control Code and may result in further enforcement action.
7. This PERMIT remains the property of the City of Alexandria's Transportation and Environmental Services Department and as such can be revoked at any time if deemed necessary by either the City Manager or the Director of the Department of Transportation and Environmental Services.
8. If complaints are received concerning permitted activities other than those involving public health or the restoration of public services, and the City Manager, the Director of Transportation and Environmental Services or their duly authorized representatives including the Police Department, determines the permitted activities cause excessive, unnecessary or unusually loud noise or any noise which unreasonably annoys, disturbs, injures or endangers the comfort, health, safety, welfare or environment of others then the entire or any portion of the permit may be immediately suspended. If the PERMIT is suspended, the suspension shall remain in effect until a formal decision is made by either the City Manager or the Director of Transportation and Environmental Services.
