Question: What is the average amount of rental assistance received by families helped by the program in recent years? How many families do we estimate will be assisted by the \$100,000 included in the proposed budget?

Response:

The \$100,000 in the proposed budget for rental assistance is estimated to serve 40 households. The chart below shows the average amount of rental assistance provided in FY21, FY22, and FY23 year to date.

Fiscal Year	Average Amount Rental Assistance
FY21	\$2,553
FY22	\$2,003
FY23	\$2,558
