

**ALEXANDRIA CITY SCHOOL BOARD
RESOLUTION REGARDING SPECIAL USE PERMIT APPLICATIONS
FOR ATHLETIC FIELD LIGHTING**

WHEREAS the City of Alexandria, through its Department of Recreation, Parks and Cultural Activities (RPCA), in order to meet current and increasing scholastic and community needs for lighted athletic field space, and to better provide equitable access to recreational facilities to all City residents, has filed applications for a special use permit (SUP), set forth below, to allow for the installation of athletic field lighting at several school sites operated by the Alexandria City School Board (School Board); and

WHEREAS those SUP applications, and school sites, include the following:

2022-00042, for Francis C. Hammond Middle School

2022-00043, for George Washington Middle School

2022-00044, for Jefferson Houston PreK-8 School

2022-00045, for Patrick Henry K-8 School; and

WHEREAS the foregoing school properties are titled in the City of Alexandria, but under Section 22.1-125 of the Code of Virginia, are operated by, and subject to the official care and authority of, the School Board; and

WHEREAS the School Board concurs that the aforementioned projects will benefit both the students and school communities at these respective schools, as well as the community generally; and

WHEREAS the aforementioned projects will be constructed entirely with funding provided by the City;

NOW THEREFORE, BE IT RESOLVED that the School Board hereby consents to the SUP applications set forth above.
