

## Honor Roll of Past Alex Arts Award Recipients

The Alex Awards program was presented from 1985 to 1991 by the Cultural Committee of the Alexandria Chamber of Commerce, and from 1992 until 1995 by the Alexandria Arts Forum. The original award was an engraved brass paper weight.

The Commission for the Arts revived the Alex Arts Awards program in 2004 as part of its 20<sup>th</sup> Anniversary Gala, and the award was a custom piece of art commissioned for the recipient Donna Bergheim. Since that time, the Alex Arts Awards has been commissioned pieces of art from Alexandria artists.
