Contract No. FQ16146

Subject: Noise Variance Permit –May 2022

Residents:

Potomac Yard Constructors (PYC) has been issued a noise variance permit for Sunday work as described below. The scope of work consists of building envelope and finishes at the new Potomac Yard Metro Station. This work will take place at the new Potomac Yard Station Site including both Entry Pavilions. This work is required to take place on Sunday due to access constraints resulting from construction of the east retaining wall.

Dates of work and anticipated activities:

May 15th through July 31st: Installation of building envelope and finishes at the new Potomac Yard Metro Station.

Work Hours: 9:00am to 6:00pm Sundays

Activity: Installation of building envelope and finishes at the new Potomac Yard Metro Station site.

Location: Station site area, North & South Pavilion site areas, and 2601 Mainline staging area.

What Residents Can Expect:

Work Site: Minimal heavy equipment, and work vehicle noise throughout the day. Typical equipment includes forklift, manlifts and hand/power tools.

At 2601 Main Line Yard: Employee parking, use of office facilities, generators, minimal loading and unloading of trucks with heavy equipment.

If there is a Project site related emergency, please call 914-353-2225. Call your local contacts and emergency numbers for all non-project related issues and emergencies.

If you have any questions about these activities, please contact the City Inspector Brian Whiteley at 703-656-6025 during regular City business hours.
