Site Location

2014 Citywide Parks Improvements Plan

Amended Park Plan Approved January 2021

Project Budget Adjustment

FY 2022 Budget Process

1. City Council approved additional funding for Phase I
2. \$3.2 million will be added to the budget in FY 2022
3. Funding will advance the following into Phase I:
 1. All unfunded 'core area' improvements
 2. Improvements to the upper diamond field
 3. Stormwater to support the additional phase I work
 4. Walls and infrastructure for the additional phase I work
 5. Park Maintenance Building

Proposed Plan Amendment – June 2021

- 1. Recommendation:**
Permit the upper diamond field to be converted to synthetic turf.

Joseph Hensley Park

Community Comments received as part of January Amendment Process

Reoccurring comments and concerns regarding synthetic turf:

- Need for synthetic turf on all fields, not just the rectangular field
- Need for synthetic turf diamond fields to support softball and baseball
- Additional Capital Improvement Program projects to install additional synthetic turf fields
- Need for all season/synthetic turf fields for multipurpose fields
