

## Alexandria Pharmacies Offering COVID-19 Boosters and High-Dose Flu Shots

These local pharmacies and clinics have both COVID-19 bivalent boosters and the high-dose flu vaccine for people 65 years and older. Inventory is not guaranteed, please call ahead to make sure they have the vaccine you want in stock. Call Adult and Aging Services at least 24 hours in advance at 703.746.5999 if you need to schedule a ride.

COVID-19 vaccines are still free and most Medicare Part B and Medicare Advantage plans cover the high-dose flu vaccine at no cost. The high-dose flu shot costs about \$70-\$105 for people who are uninsured.
