IMPLEMENTATION PROGRESS

Progress with connecting youth to health care:

1 Strategy, 4 Action Steps

WHAT HAVE WE DONE?

ACPS has begun the process of:

- Working with city and nonprofit partners to address the health, social service and academic needs of students and their families
- Engaging students and families in identifying needed supports and services and offering them in schools while monitoring utilization of existing and new resources

DCHS has begun the process of:

- Developing communications materials to increase awareness of health resources and services available to students and families in the City of Alexandria

The CHIP has begun the process of:

- Creating services in multi-functional space at housing units/ apartment complexes, etc.
