Dear Property Owner:

By law, as of January 1 of each calendar year, the City of Alexandria’s Office of Real Estate Assessments is required to assess the value of your property at 100 percent of fair market value. This Notice of Assessment Change indicates the updated market value of your property as of January 1, 2023, as well as those for the previous two years. The comparative estimates are mandated by an amendment to §58.1-3330(B) of the Code of Virginia which requires disclosure of the assessment (land, improvements, and total), tax rate, tax levy, and percent change from the previous year. Also, beginning in 2008, §58.1-3221.3(C) of the Code of Virginia established a separate class of real property used for, or zoned to permit, commercial and industrial uses for local taxation purposes. All residential property, including multi-family residential, was excluded. The commercial and residential assessments reflected on this Notice allocate the total assessed value for this parcel between property classifications.

To ensure the accuracy and equity of assessments, property records have been updated to reflect any new buildings, additions, remodeling, land divisions, etc. If you no longer own the subject property, Section 58.1-3330(C) of the Code of Virginia requires that you forward this Notice to the owner at his/her last known address immediately upon receipt.

The 2023 tax rate, which will apply to the January 1, 2023 assessed value, is scheduled to be set by City Council on May 3, 2023. For information regarding the Fiscal Year (FY) 2024 Budget Process and related Public Hearings on the real estate tax rate, please refer to the section “Real Estate Taxes & Public Hearings” on the reverse side of this Notice.

Our office is committed to providing fair and equitable assessments, as well as the best customer service possible. We welcome your comments.

Request for Departmental Review Must be Filed by March 15, 2023

If you feel your property is assessed above or below its market value as of January 1, 2023, or that your assessment is not equitable with surrounding properties, or is otherwise erroneous, you may request that the Office of Real Estate Assessments review your assessment. To have the Office review the assessment, please file a Request for Review of Real Estate Assessment form (see Requests for Forms below) no later than **March 15, 2023**. **There are no exceptions**. While it is not a requirement, we strongly encourage property owners to file for a Review with the Office prior to filing an Appeal. Our mission is to ensure fair and equitable assessments. Often differences can be resolved at the Review stage prior to filing a more formal Appeal with the Board of Equalization.

Appeals to the Board of Equalization Must be Filed by June 1, 2023

To file an Appeal with the Board of Equalization, you must submit an Appeal of Real Estate Assessment form by **June 1, 2023**. The Board of Equalization is an independent body appointed by the Alexandria Circuit Court and City Council. The City Council does not hear appeals of real estate assessments. These forms will be available after March 16, 2022 on our website or by contacting our office directly. Only those forms postmarked by the United States Postal Service or delivered to our office on or before June 1, 2023 will be accepted. All electronic submissions must be time-stamped 11:59 p.m. (EST) or earlier. All data in support of an Appeal must be submitted when the form is filed. **There are no exceptions.**

Real Estate Taxes and Public Hearings

The 2023 tax rate, which will apply to the January 1, 2023 assessed value on this Notice, is scheduled to be set by the City Council on May 3, 2023. Until the tax rate is established, the amount of taxes to be levied cannot be determined. The City Manager will transmit the Proposed Fiscal Year (FY) 2024 Operating Budget to City Council on February 28, 2023. There will be a Public Hearing on the FY 2024 Proposed Operating Budget on March 13, 2023. There will be a Public Hearing on the Real Estate Tax Rate on April 15, 2023, during City Council's regular public hearing. Any additional public hearings, legislative meetings, or work sessions relating to the FY 2024 Operating Budget and the Real Estate Tax Rate will be posted on the City's website at alexandriava.gov. Real Estate taxes for 2023 will be billed by the Department of Finance in two installments, due June 15 and November 15. A pending Review by the Office or an Appeal to the Board of Equalization does not change the due date for real estate tax payments, regardless if remedy is deemed warranted.
