# Department of Code Administration

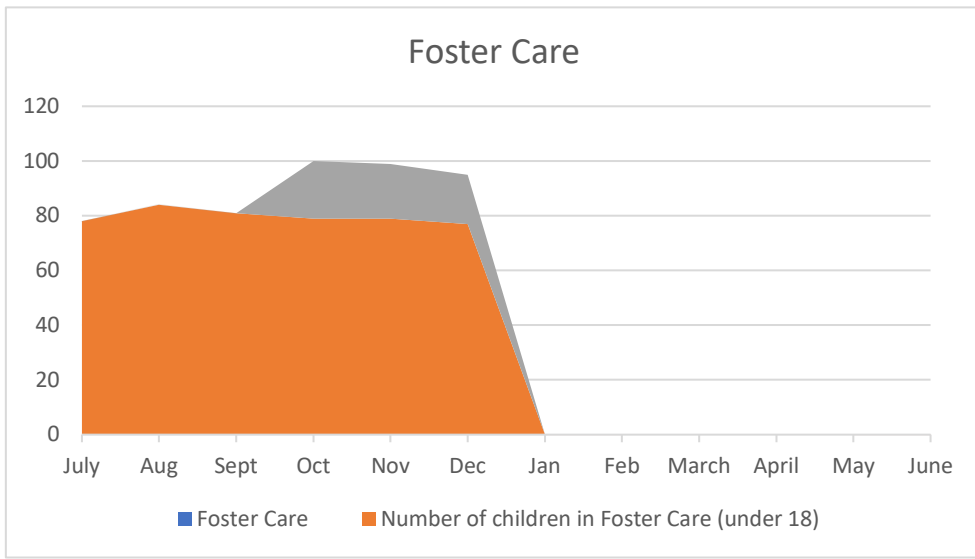

Indicator	July	Aug	Sept	Oct	Nov	Dec	Jan	Feb	March	April	May	June	Comment
Number of property maintenance and nuisance code <b>cases initiated</b> .	156	139	166	201	141	134							All Code cases initiated by email, Alex 311, nuisance hotline, social media, initiated by residents in field. Requests for inspections reduced in November and December for trash, weeds and rodent activity.
Number of property maintenance code <b>violations</b> cited City wide.	63	51	95	89	79	65							Code violations cited resulting in enforcement actions, notices, orders, civil penalties or court actions. Violations and complaints. Most code cites were for trash and deferred maintenance violations on private property..
Number of <b>complaint</b> and nuisance inspection activities conducted, including notices, orders and customer contact.	232	218	221	190	170	187							Customer requested inspections decreased in November for seasonal grass/weeds complaints. Neighborly 311 complaints in December increased for property code violations, nuisance lighting and yard <u>waste accumulation on private property.</u>
Number of <b>proactive</b> inspection activities including surveys, block inspections, notices and customer contact.	265	272	120	244	147	238							Proactive inspections of Old town alleys and multi-family community trash sites were increased to monitor trash disposal during holidays and long weekends. Proactive inspections of alleys for trash and rodent activity remain a very high priority to reduce rodent activity in exterior common areas. Proactive inspections rebounded in December.

## Alexandria Police Department

The following offenses are captured by the date they were reported to APD, not the date they occurred. This is in line with NIBRS reporting requirements. The data is preliminary and subject to change so is not official and should not be disseminated without permission from the Chief of Police. There may be discrepancies if prior month report is in draft on the date the data was queried. This document was updated by APD/CAS/ACC on 9/1/2021.

Indicator	21-Jan	Feb	March	April	May	June	July	Aug	Sept	Oct	Nov	Dec	Comments
Homicide	0	0	0	0	0	0	0	0	1	0	0	0	Alexandria has had one incident currently classified as a homicide in our case management system. There were three homicides in 2020.
Rape	0	1	0	0	4	1	1	1	0	2	0	0	There were 14 rapes reported in 2020 compared to 10 this year (28.6% decrease in 2021). The 2021 offenses are all known or domestic-related and four of these offenses involved children under the age of 12. Two arrests have been made. Two incidents reported this year occurred in a prior year (2014 & 2017).
Robbery	13	5	8	6	8	4	10	7	7	3	6	8	There were three less robberies in 2021 than in 2020 (85 vs. 88). There were 70 robberies from person in 2021 compared to 64 in 2020 (9.4% increase). Looking at this year's incidents one is a false police report (gun), with 40 committed by strangers and 26 with known suspects, 11 of which involved romantic or former romantic partners. 22 of the incidents involved firearms and 9 featured suspects armed with knives. Note that carjackings have decreased 55.6% from 9 in 2020 to 4 in 2021 and Commercial Robberies have decreased 28.6% with 14 in 2020 and 10 in 2021.
Aggravated Assault	10	21	15	24	17	16	14	17	31	20	17	43	There are 17.8% more Aggravated Assault offenses (victims) this year (245) compared 208 in 2020. 67 of these incidents were captured by officers as fitting the legal definition of domestic (immediate family or cohabitating couples). 96 are closed by arrest and prosecution was declined in 14 additional incidents. Note that though December had 43 offenses, there were 28 cases as 6 incidents had multiple victims.
Burglary	24	13	13	27	16	13	15	16	13	6	13	16	There are 46.8% more Burglaries at present compared to last year (126). While the rate has slowed from the pace through April, this year-to-date increase is driven by an increase in Commercial Burglaries (88 in 2021; 49.2% increase) due to Asian restaurants being targeted early in the calendar year, a Fairfax County-based juvenile crew heavily targeting Northern Virginia in March through May, stealing currency from registers, and residential burglaries (84 in 2021 vs 49 in 2020, a 71.4% increase and a 21.7% increase over 2019). There does not appear to be a series or serial offender driving this Residential Burglary trend.
Larceny	203	151	167	171	170	226	198	212	236	216	260	192	There were 2402 larcenies reported in 2021 compared to 2473 in 2020 (2.9% decrease). Despite this, Larceny of Vehicle Parts is on the rise with 259 in 2021 compared to 211 in 2020 (22.8% increase), with Parts thefts valued over \$1000 increasing 35.6% (118 in 2021 v. 87, largely driven by tires, catalytic converters, and airbags). Theft from vehicle offenses decreased 17.7% (592 in 2021 vs. 719 in 2020).
Stolen Auto	8	13	24	28	29	19	18	27	18	29	25	32	There are 88 less Stolen Autos in 2021 (270) than in 2020 (24.6% decrease) and the rate is 17.4% higher than the 2019 total (230).
Destruction of Property/ Vandalism	85	65	64	87	89	148	120	82	117	108	122	72	Destruction/Vandalism increased by 14.1% in 2021 over 2020 (1159 vs. 1016). Graffiti incidents are 51.7% higher in 2021 with 135 reported compared to 89 in 2020.
Prostitution	0	0	0	0	0	0	0	0	0	0	0	0	There were 3 Prostitution arrests in 2020.
Drug/Narcotic Offenses	13	11	30	14	12	17	18	20	10	14	11	17	There were 187 Drug/Narcotic arrests, compared to 351 in 2020 (46.7% decrease). Note that from January through June 2020 small scale (up to 1oz) marijuana possession was still illegal and the law changed July 1, 2020 leading to a drop in drug arrests.
Gambling	0	0	0	0	0	0	0	0	0	0	0	0	There were no Gambling arrests in 2020 or 2021.
Disorderly	1	0	0	0	9	3	7	3	6	8	6	5	In 2020 and 2021 there were 41 and 48 Disorderly Conduct arrests, respectively, which is considerably less than this time in 2019, which saw 79 (39.2% decrease).
DWI	15	10	20	20	18	18	16	19	11	25	23	26	DWI arrests increased YTD from 145 in 2020 to 221 in 2021, which was expected as COVID-19 restrictions have lightened and nightlife activities expanded their hours and operation this year.
Drunkenness	15	9	17	20	19	32	32	23	35	35	30	26	In 2020 there were 269 Drunkenness arrests, compared to 293 in 2021. Note that this is a considerable drop from the same time in 2019, which had 508 arrests (-47.0%). This may be in part because of pandemic restrictions on businesses and changes in individuals' behavior as a result of COVID-19. This may increase as COVID-19 restrictions continue to lighten.
Liquor Law Violation	1	3	6	3	4	4	12	10	10	11	7	8	In 2021 there were 79 Liquor Law Violation arrests, compared to 90 in 2020, which represents a 12.2% decrease in 2021.
