

# WILLIAM RAMSAY

## *Safe Routes to School*

To make it easier and safer for people to cross Sanger Avenue near the William Ramsay Elementary School and Recreation Center, the City of Alexandria plans to install curb extensions and update crosswalks at several locations.

To create space for these improvements, three parking spaces along Sanger Avenue need to be removed.

**The City's Traffic & Parking Board will consider this proposal at the June 24 Public Hearing.**

**Please submit feedback to [bryan.hayes@alexandriava.gov](mailto:bryan.hayes@alexandriava.gov) by June 14.**

**Accepting comments and questions until June 14.**
