Curice Paulus - Present

Reports:

Fire Marshall: Higher than normal number of gas lines being struck. Over the past month 20-30 utility tickets issued for contractors digging.

Local gas maps don't line up with utility maps. Sometimes utility companies dig in their own lines.

Health Department: Jasmin Johnson, Public Health Coordinator, held a seminar focusing on CBRN preparedness with the FBI.

Office of Emergency Management: Established first emergency operations center roster.

Red Cross: Delivered report on blood donation procedure.

Dominion Energy representative said company is offering "energy saving tips and bill-saving assistance programs over the winter.

LEPC discussed possible Potomac Yard Metro Arena proposal and impact on emergency preparedness.

Motion to adjourn: seconded and approved.
