Subject: Holmes Run Trail Stakeholder Group Update #19 - Intermittent Closure of Ripley Crossing (September 20, 2024)
Date: Friday, September 20, 2024 8:45:34 AM
Importance: High

To: Holmes Run Trail Stakeholder Group (bcc)

We apologize for the short notice. The City was informed this morning of the need to place material in the damaged section of the Ripley access ramp to further stabilize the project area. As a result, the Ripley crossing will be closed for 30 to 45 minutes throughout day for delivery of material. When deliveries are in process, pedestrians and cyclists will need to either use Van Dorn Street or the Beatley Bridge to cross Holmes Run Stream.

The City will ensure future closures are notified in advance to reduce potential inconvenience to trail users. The trail will be open for the full weekend.

Please forward this email to other stakeholders. Individuals wanting to receive construction updates may contact me at jack.browand@alexandriava.gov to be added to the update list.

Sincerely,

Jack
