2. Introduction.

The Independent Community Policing Review Board (ICPRB) was established by the Alexandria City Council via unanimously adopted Resolution 2950 on June 9, 2020, which condemned police brutality and systemic racism; reaffirmed that Black Lives Matter; and stated Council's intent to establish a community policing review board in our City. The resolution also affirmed that the City of Alexandria and all government officials have a duty to ensure the protection of all communities through actions and reform, including in the justice system. After careful consideration, at its public hearing on April 17, 2021, the City Council voted unanimously to adopt an ordinance establishing the structure of a new Independent Community Policing Review Board, to be effective as of July 1, 2021, along with its authorizing state law. The City Council also established the Office of the Alexandria Independent Policing Auditor (AIPA).

3. Board's Purpose.

The Independent Community Policing Review Board is an eight-member board whose purpose is to enhance policing legitimacy and to increase and maintain trust between and among the police department, city council, city manager and the public. The board shall provide timely, fair and objective review of administrative investigations conducted by the Independent Policing Auditor and Alexandria Police Department (APD) as well as the Independent Policing Auditor's evaluation of policing policies, practices, procedures, and outcomes in Alexandria. The Board shall also recommend meaningful assessments and corrective recommendations intended to remedy discriminatory practices, including racial and social inequities; ensure the protection of all communities through recommended actions and reform, including in the criminal justice system; and recommend strategies for effectively implementing these reforms in our community.
