To: Holmes Run Trail Repairs Stakeholder Group email group (bcc)

Due to weather related scheduling impacts, the Holmes Run trail surface maintenance was delayed and is scheduled to occur between May 2 - June 30, weather permitting.

1. Asphalt repairs/repaving are planned for May 2 - May 19.
2. Striping is planned for June 1 - 30, pending completion of asphalt repairs and asphalt curing.

Please be reminded the maintenance activities may require interim closures of small portions of the trail from a few minutes to a few hours as work is implemented. We apologize for any potential short-term inconvenience and appreciate your patience and cooperation.

Please share this email with other stakeholders. Anyone wanting to be added to the Holmes Run Trail Repairs Stakeholder email group may email Jack.Browand@alexandriava.gov.

Sincerely,

Jack
