MEMORANDUM

DATE: JUNE 26, 2025
TO: PARK AND RECREATION COMMISSION MEMBERS
FROM: LAURA DURHAM, DEPUTY DIRECTOR
RECREATION SERVICES DIVISION
SUBJECT: PARK AND RECREATION COMMISSION DIVISION UPDATE ITEM

OSTP Updates:

We are currently offering out-of-school time programming at 11 Summer Power-On sites, which include two specialty camps—Camp Adventure and TR Camp Adventure—as well as three Summer Power-Up locations for middle schoolers. In total, there are 14 out-of-school time program opportunities available this summer.

Registration for the 2025–26 School Year Power-On Program begins on June 25. A pre-registration window was offered from June 8–13 for families eligible for federal benefits, including Free/Reduced Price Meals, SNAP, or TANF.

To manage the high demand and ensure a smooth registration process, we've implemented a Virtual Waiting Room system. Here's how it works:

- **Before 9 a.m.:** If you access the registration site before 9 a.m., you will be placed in a randomized queue. Your place in line is not based on the time you log in before 9 a.m.
- **After 9 a.m.:** If you visit the site after 9 a.m., you'll be assigned the next available spot in line. When it's your turn, you'll be automatically redirected to the registration page to complete your enrollment.

Partnerships & Collaborations:

We are proud to collaborate with ACPS, UpCycle, Momentum Collective Inc., and the Buddie Ford Nature Center. These partners contribute valuable enrichment, academic support, and specialized programming at both Summer Power-On and Power-Up locations.

Program Wrap-ups:

- **Rec Fest – May 3**

On May 3, the Patrick Henry Center hosted Rec Fest for the first time at its location on 4653 Taney Avenue from 10 a.m. to 2 p.m. The event attracted over 600 attendees and was a lively day of family fun. Community members of all ages enjoyed free activities including fitness, sports, enrichment, arts, nature, out-of-school time, and summer camp programming. Guests also took part in demos and performances, met instructors and staff, and had the opportunity to register for programs and camps on-site.

- **Youth Track Meet – May 10**

the Sports Section hosted its annual Youth Track Meet, bringing together over 160 young athletes for a day filled with competition, camaraderie, and community spirit. Participants competed in a variety of track and field events across different age groups. Thanks to strong support from families and the local community, the event was a great success. All 1st and 2nd place finishers earned the opportunity to represent the City of Alexandria at the upcoming Regional Track Meet at the Prince George's Sports & Learning Complex.

- **Asian American Pacific Islander Month Celebration – May 31**

The Patrick Henry Recreation Center hosted a vibrant celebration to close out Asian American Pacific Islander Month. The event featured cultural performances, demonstrations, and interactive activities highlighting the rich traditions of Asian communities. Highlights included traditional and contemporary Persian music, martial arts demonstrations by King Khong Martial Arts & CPMMA, a live East Asian cooking demo by Kung Fu Kitchen, colorful Persian dance by the Shadi Dancers, a lively Lion Dance and Feeding Ceremony by Choy Wun, and a Hawaiian Hula performance by Halau O Aulani. The event drew approximately 500 attendees.

- **Space of Her Own (SOHO) Promotion Ceremony – June 3 & 4**

On June 3 and 4, the Community Engagement Section celebrated the promotion of 25 mentor-mentee pairs to the SOHO Club. Each evening welcomed about 80 guests for dinner, activities, and heartfelt speeches from all 25 mentees. Two standout quotes included:

- “My mentor helped me with my anger and helped me not get distracted as much. She also stays by my side. She keeps me aware of when I’m bored or angry and helps me get through it and stay grounded.”
- “My mentor is the best person I have ever met. She has taught me that fighting isn’t the answer and how to stay out of drama. She has made me have more love than anyone and she has made me who I am today. I hope that I can hang out with her for the rest of my life until I reach 100 years old.”

- **Fly Minds Summer Youth STEM Fair – June 7**

On Saturday, June 7, the Patrick Henry Recreation Center partnered with Fly Minds to host a free Youth STEM Fair. The event offered an exciting day of hands-on activities in science, technology, engineering, robotics, drones, and math. The fair was a great success, drawing over 200 participants from the community.

- **RPCA All Staff Meeting – May 9**

On Friday, May 9, the Patrick Henry Center hosted the RPCA All Staff Meeting. The event was well organized and began with a shared meal and an interview with the department’s new director, Hashim Taylor—giving staff a chance to get to know him better. The evening featured a variety of engaging activities, including chair volleyball, sip & paint, dodgeball, and a park planning session where staff learned about the park development process. Staff gave positive feedback and appreciated the opportunity to connect and have fun together.

- **4th Annual Community Spelling Bee – June 1**

On June 1, RPCA and the Out-of-School Time Program partnered with the Women's Initiative Network and Pathways for Progressive Scholars to host Alexandria's 4th Annual free Community Spelling Bee. The event saw tremendous growth, with 190 participants—surpassing last year's numbers. Each participant received a certificate and a swag bag, while 1st–3rd place winners in each grade level were awarded medals or trophies. Families and participants celebrated together afterward with pizza and cupcakes, sharing their experiences and accomplishments. Planning is already underway for next year's event, with hopes to grow participation even further.

- Tiny Titans swim, a new partnership we have with the preschool inside of Minnie Howard concluded their year's swim lesson with a parent showcase. The parents enjoyed this as much as the kids and we provided summer smiles guide as well as an informational session on financial assistance options for the families.

Upcoming Events:

- **Mentor Open House – Tuesday, June 24 | 5–7:30 p.m. | Beatley Central Library**
Join us for an open house to learn how you can become a mentor in one of Alexandria's youth mentoring programs. This is a great opportunity to connect with program leaders, ask questions, and explore how you can make a difference in a young person's life.
- **2025 MARPSA Track Meet – Saturday, June 28 | 9:00 a.m. | Prince George's Sports & Learning Complex**
Alexandria's top youth athletes will represent the city at the MARPSA Regional Track Meet. Competitors earned their spots through strong performances at the local meet held in May. Come cheer them on as they go for gold!

Special Features:

- **Aquatic Fitness Class Wrap-Up**

The Aquatic Fitness class offered through ACPS wrapped up with an exciting scuba lesson at the Minnie Howard Aquatics Facility, giving students a chance to dive into something new. The hands-on experience was a hit—students had a blast exploring the basics of scuba in a fun and safe environment!

Staff Updates:

- **Maddie Nance Honored with Champion of Children Award**

Maddie Nance, Regional Program Director in the Community Engagement Section, received the Champion of Children Award from Alexandria's Children, Youth & Families Collaborative Commission. She was recognized for her outstanding work in mentoring programs, youth empowerment, and juvenile crime prevention. Congratulations, Maddie, on this well-deserved honor!

RECREATION, PARKS & CULTURAL ACTIVITIES

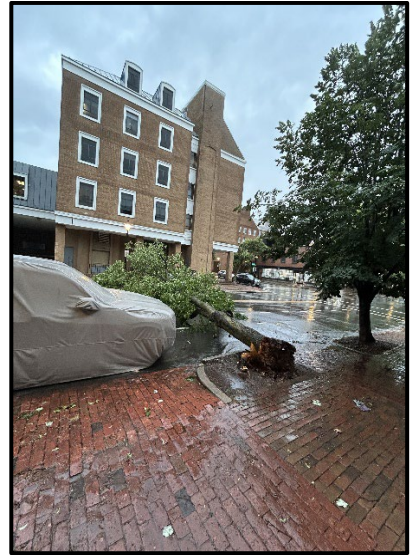

ITEM 3.a.: PARK AND RECREATION COMMISSION DIVISION UPDATE
PARK SERVICES

NATURAL RESOURCES

Oscar Mendoza, Division Chief

Urban Forestry

The Urban Forestry section has been working intensively throughout May and June, focusing on post-storm operations, advancing the tree planting program—supported by favorable weather conditions – and managing 311 service requests. On June 19, the team dedicated substantial effort to removing approximately 35 downed trees across the city.

Natural Resources

In the past month, the natural resources division has been performing visits of natural areas throughout the City of Alexandria to inform existing conditions and consider potential management needs, as well as creating a 5-year plan for understanding priorities following the four guiding principles found in the 2019 Natural Resource Management Plan. For **Management**, the natural resources division is pursuing avenues for a comprehensive natural resources inventory. This will aid in updating the natural resource management plan by providing context of existing conditions of flora, fauna, and habitat. For **Conservation**, the division continued to develop a solicitation for an invasive plant control contract. In addition, the division is in the beginning stages of researching and developing wildlife management for the City of Alexandria. For **Restoration**, the division has met with park planning at Mt. Jefferson Park and talked about potential future opportunities for collaboration. Finally, for **Community**, the natural resources division has connected with several community-facing organizations, including the Beautification Commission, Community Gardens leadership, and Adopt-A-Park. The division has also been developing plans to update the Natural Resources webpages to be more intuitive and transparent for the public.

FY2026-2027 Interdepartmental Long-Range Planning Work Program

Project Manager: Bethany Znidersic, Division Chief

Every two years, City departments involved in long-term planning and implementation develop a Two-Year Long-Range Planning Interdepartmental Work Program for the upcoming fiscal period. This program outlines ongoing and new planning initiatives, as well as the implementation of previously approved plans. The draft FY2026-2027 Interdepartmental Long-Range Planning Work Program was presented to Planning Commission and City Council in February, and the final plan was adopted by City Council on June 10. For this cycle, the Department of Recreation, Parks, and Cultural Activities (RPCA) key initiatives include:

- Parks and Recreation Master Plan Update
- Urban Forestry Master Plan Update
- Citywide Parks Improvement Plan Update
- Cameron Run Regional Park Feasibility Study
- Dog Park Master Plan Update
- Eisenhower East Park (Under the Metro Tracks)

For more details on these projects, please see the [City Council Docket Materials](#).

2025 Community Matching Fund

Project Manager: Judy Lo, Principal Planner

The Department of Recreation, Parks, and Cultural Activities (RPCA) closed the 2025 Community Matching Fund application period on May 26. The program connects local businesses and organizations with City-owned parks, gardens, trails, and recreational spaces to improve them for the entire community. The Community Matching Fund provides up to \$50,000 in financial support for projects that enhance the City's public spaces.

Staff are currently evaluating the applications and will present the proposals to the Park and Recreation Commission in July. The Commission will formally endorse the proposals at a Public

Hearing anticipated for September, 2025.

Nannie J. Lee Center Pool Removal Project
Project Manager: Jesse Van Wick, Urban Planner III

The decommissioned pool at the Nannie J. Lee Center has been demolished! The site is scheduled to be temporarily designed with gathering spaces and landscape to address environmental and safety concerns, allowing the public to access it as an amenity. Construction activities will continue through June and July. It will be further reprogrammed with community and stakeholder input at a later date.

PARK MAINTENANCE
Derek Claytor, Division Chief

All park districts were busy with mowing activities and general maintenance resulting from the excessive rain through the month of May and into early June.

Special Projects:

District 1 has assisted with the removal of items left behind from abandoned campsites in and around the waterfront park areas.

District 2 performed weed abatement and general park cleanup of Simpson Park before the official groundbreaking ceremony for the upcoming park renovation project begins.

District 3 had an awesome opportunity to develop new skills and work directly with ACHS Baseball coaches while building a new pitcher's mound at Ben Brenman Park.
