

CORNERSTONE CRAFTSMAN

Provide youth with the instruction, tools, and mentoring required to earn a livable wage and have a viable career in the skilled trades.

Break the cycle of generational poverty and build a proficient and marketable workforce in the skilled trades

ABOUT US

A unique pre-apprenticeship program providing young men and women, ages 12-17, the chance to build a career, earn a livable wage, and pursue economic self-sufficiency.

- Apprentices meet two Saturdays a month.
- Mentorship and education designed to foster goal-oriented character development in youth.
- Work closely with court services and families to assist in successfully transitioning from juvenile detention and probation.
