## ROBERT'S RULES OF ORDER

Proposed action is presented for consideration by **motion**. After being recognized by the meeting presider, a board or committee member - at a board or committee meeting – may introduce a motion if no other motion is on the table. A motion requires a second in order to be considered. If there is no second, the matter is not considered. Discussion typically follows a seconded motion. Each motion must be disposed of (passed, defeated, tabled, referred to committee or postponed indefinitely). Robert's establishes rules for introduction, adoption and dispensing motions detailed in the table below.
