Thank you for viewing and attending the Independent Community Policing Review Board's meeting today. Remember, the Board is here to help you address any concerns you have regarding interaction with an Alexandria Police Department employee. While our primary purpose is to review investigations of misconduct by APD, even if your concern does not fall within our purview, the Independent Community Policing Review Board will collaborate with the Independent Policing Auditor to address your concerns or commendations with APD.

Our Board meetings are open to the public, and all are encouraged to attend.
