1	Does the tool reflect amendments that have been made to SAPs since they were first adopted? For instance, the amendments to the Old Town North SAP for height increases that have been approved in the past few years.	Yes, any time a Master Plan amendment is approved by City Council we update the relevant chapter and pull that information forward into the Explorer.
2	Thank you for the updates! Very informative as always.	Thanks for tuning in and if you know of anyone else interested in planning, zoning and development in the city make sure they know about these meetings - sometimes word of mouth is the best way best way to get word out!
3	Is this presentation available online for review?	Yes, visit <a href="https://www.alexandriava.gov/Planning">alexandriava.gov/Planning</a> and look for "How to Get Involved and Stay Informed" (direct link: <a href="https://www.alexandriava.gov/planning-and-zoning/planning-zoning-bi-monthly-virtual-community-updates">https://www.alexandriava.gov/planning-and-zoning/planning-zoning-bi-monthly-virtual-community-updates</a> )
