TO: THE HONORABLE MAYOR AND MEMBERS OF CITY COUNCIL

THROUGH: JAMES F. PARAJON, CITY MANAGER

FROM: MORGAN ROUTT, DIRECTOR, OFFICE OF MANAGEMENT AND BUDGET

SUBJECT: SUMMARY OF FY 2027 BUDGET ADD/DELETE PROPOSALS

This memorandum summarizes the FY 2027 budget add/delete items eligible for consideration at the Preliminary Add/Delete work session on Tuesday, April 21, 2026, taking place in Council Chambers and online. On Saturday, April 18, beginning at 9:30 a.m., City Council will hold a Tax Rate public hearing followed by an Add/Delete public hearing in City Council Chambers and online. The Add/Delete public hearing will be on proposals summarized in this memorandum. From this point forward, only items summarized in this memorandum are eligible for Council to consider adding to the final adopted budget. Any other items raised in the public hearing would not be eligible for consideration in the FY 2027 budget per Council direction. If any member of the public is unable to attend the public hearing, the meeting will be broadcast on cable channel 70 and on the internet, and a video will be posted online. Comments may be submitted at [alexandriava.gov/Budget](http://alexandriava.gov/Budget) through April 22, 2026. City Council members' eligible add/delete proposals are provided as Attachment 1.

In accordance with Resolution 3334 adopted November 12, 2025, establishing the process to be used for FY 2027 budget adoption, a combined list of all City Council budget proposals, technical adjustments from OMB, and City Manager recommended changes is to be provided and discussed at the preliminary add/delete work session. To be eligible for consideration, a proposal must:

2. Contain information related to how the change impacts the performance of that program, service, or goal;
3. Have received the support of at least three Council members (the original sponsor and two co-sponsors); and
4. Be accompanied by an add/delete spreadsheet prepared by the Council member or OMB in which the sum of the individual Council member's adds and deletes, including the items originally sponsored by that member and those co-sponsored by that member, are in balance or produce a revenue surplus.

Funding for the Healthy Homes Action Plan	The Healthy Homes Action Plan launched in April 2025 to implement strategies to improve healthy home living conditions amongst economically disadvantaged Alexandria residents. Federal grant funds awarded for the program ended in FY2025 and City Council added one-time funds through the FY26 add-delete process to implement the program. The program saw success in it's first year (see Budget Question #62) and will need additional support to continue in FY2027.

One time transfer from Sheriff's budget to cover a jail operational efficiency study.	<p>The city is spending more to operate its jail than necessary because staffing levels are set for a full capacity of 340 inmates, even though the jail has averaged only 281.2 inmates over the past six years. In FY 2024, that cost taxpayers \$32.0 million — \$18.4 million of which came from local tax dollars - Budget Answer #20. The jail houses more federal inmates (144.7 average) than local inmates (135.3 average) - Budget Answer #34, yet federal contract revenue covers only \$7.4 million of operating costs while local taxpayers absorb more than double that amount. The Sheriff has indicated that the population would need to fall to 150 or fewer before staffing could be reduced. A jail operational efficiency study should evaluate whether the current staffing model can be restructured and whether alternative jail models could better align costs with actual need and relieve the burden on local taxpayers.</p>

INITIATIVE/PROGRAMMATIC ADJUSTMENT	What is the impact of this Add/Delete? How does this change the the performance of the program, service, or goal?				
FY 27 Budget Q&A #076 and FY 27 Budget Q&A #006	In the FY 2025 capital budget, funds were approved for longer-term improvements to the 100 block of King Street to be completed in coordination with the larger Waterfront Flood Mitigation project. Currently, there are no improvements budgeted for the 200 block of King Street, which was permanently closed to vehicles by City Council in September 2025. This change would allocate \$350,000 from the current estimated cost of the "Option 3" alternative to be used to support improvements to the 200 Block, such as platforms and bollards similar to what is currently installed on the 100 block.				
FIVE YEAR IMPACT	FY 2027	FY 2028	FY 2029	FY 2030	FY 2031
OPERATING EXPENDITURE/(SAVINGS)					
CAPITAL EXPENDITURE/(SAVINGS)	350,000				
IS THIS CHANGE ALIGNED WITH THE CITY COUNCIL GUIDANCE? HOW?	One of the Council's priorities is to strengthen the local economy by reducing barriers to sustaining business activity in the City. King St. is a hub for residents and tourist and a significant economic generator for our community. Aligning investments in the 100 and 200 blocks will support greater economic activity and encourage longer visitor stays.				
DOES THIS ADD/DELETE IMPACT LEVERAGING OF OTHER FUNDS (I.E. MATCHING FUNDS FROM GRANTS, STATE PROGRAMS OR FEDERAL PROGRAMS)? HOW?
