# Department of Code Administration

The Department of Code Administration works in partnership with customers (residents, architects, engineers, contractors, developers, business and building owners) as part of a team dedicated to ensuring the safety of the built environment. The objective is to work in concert with the customers to administer the provisions of the Virginia Uniform Statewide Building Codes (USBC) including the Virginia Construction Code, the Virginia Existing Structures Code and the Virginia Maintenance Code and referenced standards. In addition, the department is responsible for ensuring compliance with the City Code nuisance and development provisions. This is achieved by providing premier customer service, efficient and timely plan review, consistent inspections, and proactive education and training of customers on the requirements and purpose of the code

## FISCAL YEAR HIGHLIGHTS

### All Programs

- *FY 2027 Collective Bargaining Adjustments (\$48,748; 0.0 FTE Change)*
  - Collective Bargaining Wage Adjustments—The FY 2027 budget includes salaries and fringe benefit increases for the positions covered by the Amin and Technical collective bargaining agreement. The budget for these adjustments aligns with the agreement's terms and includes pay increases, special pays, longevity bonuses, and annual merit increases. Other personnel increases include a pay scale increase of 1.5% for non-collectively bargained City employees which is budgeted for in the Non-Departmental section of the budget.

### Administrative Support

- *Non-Personnel Cost Increase: (\$16,680); 0.00 FTE Change)*
  - Non-Personnel expenditures increase due to City shop maintenance fees, telecommunications costs, and the department's contribution to the City's vehicle fleet replacement plan.

### All Programs

- *Non-Personnel Cost Decrease: (-\$29,084; 0.00 FTE Change)*
  - Non-Personnel expenditures decrease due to the budget being adjusted to align to actual spending trends from previous fiscal years.

## Economic Development

### FISCAL YEAR HIGHLIGHTS

#### Visit Alexandria

##### **Payroll Adjustments** (\$102,860; 0.0 FTE Change)

- This adjustment accounts for annual merit and benefit increases for all staff. The purpose of the increase is cost of living, merit based increase as well as increased cost of healthcare year over year.

##### **Sustaining Advertising**

- Removal of one-time funding for Visit Alexandria Marketing and Advertising. (-\$250,000; 0.0 FTE Change)

##### **Human Resources Professional Fees** (-\$10,000; 0.0 FTE Change)

- Visit Alexandria uses a human resources consultant for recruiting help, guidance on HR related issues, and training. This reduction will cancel the contract without enduring major impacts on people/culture.

##### **Professional Development** (-\$7,000; 0.0 FTE Change)

- For FY27, this budget is reduced by \$7,000, recognizing that this may limit participation in some industry events while still maintaining a commitment to ongoing staff development.

##### **Gift Shop Investment** (-\$6,000; 0.0 FTE Change)

- Visit Alexandria maintains a gift shop for merchandise promoting Alexandria. While retail sales remain an important component of the visitor experience, Visit Alexandria anticipates some decline in foot traffic to the Visitor Center. By creating a more strategic and data-informed purchasing plan—focused on carrying less inventory and aligning product selection with visitor demand—it can reduce expenses without compromising the guest experience.

##### **Business Development** (-\$12,000; 0.0 FTE Change)

- The business development line item is used for dues for all membership organizations, expenses for outside meetings, meals, and expenses related to outside meetings. This reduction is based on actual expenses from FY26. This reduction aligns the budget to actual FY26 expenses.

##### **Visit Alexandria Marketing**

- One-time funding for sustaining marketing as a part of small business support. It supports expanded video and print programs, specialized travel marketing, and promotion of neighborhoods throughout the city, which targets key visitor audiences. (\$200,000; 0.0 FTE Change)

##### **Special Events** (-\$187,000; 0.0 FTE Change)

- As responsibility for event planning functions will transition to RPCA in FY2027, City Council approved a \$187,000 technical adjustment to align the budget with this organizational change and remove funding that had remained in Visit Alexandria's budget.

# CITY OF ALEXANDRIA, VIRGINIA

## Economic Development

### FISCAL YEAR HIGHLIGHTS

#### Alexandria Economic Development Partnership

##### Current Service Adjustments (\$244,000; 0.0 FTE Change)

- This adjustment accounts for salary and benefit cost increases for existing staff and non-personnel increases associated with the ongoing cost of operations.

##### Business Accelerator

- Removal of one-time funding for an Alexandria Economic Development Partnership pilot program for small business activity. (-\$200,000; 0.0 FTE Change)

##### Research Tools Reduction (-\$30,933; 0.0 FTE Change)

- AEDP proposes a reduction primarily through the elimination of the Placer.ai subscription. The organization will rely instead on other available data sources, though this will limit the depth and timeliness of insights we can provide to local businesses and partners.

##### Furniture Efficiency Savings (-\$5,000; 0.0 FTE Change)

- In FY26, AEDP relocated to a new office space and completed all required furniture purchases as part of the move. With the office now fully furnished and equipped, AEDP does not anticipate additional expenses in this category for FY27.

##### Small Business Support Reduction -\$4,000; 0.0 FTE Change

- In recent fiscal years, AEDP has maintained dedicated reserve funding to support small business programs and initiatives. Because these reserves are sufficient to cover anticipated FY27 expenses, AEDP can assume responsibility for this modest amount internally without reducing the level of services provided to Alexandria's small business community. This adjustment reflects prudent fiscal management and efficient use of existing resources.

#### Other Economic Development

##### ALX Forward

- In May 2025, the City held an Economic Summit hosting over 200 business leaders, policymakers, residents and stakeholders to explore the City's economic future. From this gathering a report was issued and the community was invited to give additional feedback on the goals and broad strategies presented at the summit. Concurrently, TIP Strategies conducted a comprehensive quantitative research initiative to better understand the City's competitive position and development potential. Out of this work, a strategic framework emerged that is *ALX Forward*. *ALX Forward* creates a path forward for economic development investments by outlining a vision, guiding principles, goals, strategies, actions and tactics. This is one-time funding. (\$750,000; 0.0 FTE Change)

## FISCAL YEAR HIGHLIGHTS

### All Programs

- *FY 2027 Current Services Adjustments (\$79,287; 0.0 FTE Change)*
  - Current services adjustments reflect the change in cost of continuing the current level of service into the next fiscal year, including regular increases and/or decreases in salaries & benefits, costs, contracts, and materials.
  - Each bargaining unit's agreement can be referenced in the Personnel section of the budget book. Other personnel increases include a pay scale increase of 1.5% for non-collectively bargained City employees which is budgeted for in the Non-Departmental section of the budget.
- *Alexandria Community Remembrance Project (\$55,000; 0.0 FTE Change)*
  - The FY 2027 budget includes one-time funding to support the Alexandria Community Remembrance Project, a city-wide initiative aimed at addressing Alexandria's history of racial injustices while promoting equity and inclusion. This funding will finance a temporary part-time program manager position and support public programming.
- *Operations Reductions (-\$48,598; 0.0 FTE Change)*
  - Curation and Exhibit Services – \$10,000 reduction: This reduction scales back contracted exhibit design, fabrication, and installation services and limits the purchase of exhibit materials.
  - Archival Supplies – \$5,000 reduction: This reduction decreases funding for archival materials and supplies at the Archives and Records Center. It limits the purchase of acid-free boxes, folders, sleeves, and other conservation-grade materials, and postpones the replacement of aging storage supplies.
  - Archaeology Services – \$10,000 reduction: Scales back the use of contracted archaeological consultants for conservation, documentation, or specialized analysis.
  - Interpretive Signage – \$5,000 reduction: This reduction eliminates one interpretive sign project during the fiscal year.
  - Specialized Landscaping Services at Fort Ward – \$5,000 reduction: Reduces the scope or frequency of specialized landscaping for the Civil War earthen works at Fort Ward.
  - Program Support Services – \$13,598 reduction: Reduces funding for professional services supporting public program development, and promotional marketing materials, including museum rack cards at hotels throughout the DC metro region.
- *Removal of One-time funding for Sail Virginia (-\$100,000; 0.0 FTE Change)*
  - The FY 2026 budget included funding to finance appearance fees for tall ships, event expenses, staff and volunteer support, and marketing.

# Office of Housing

The Office of Housing coordinates and administers City-assisted housing and housing-related programs and services. The Office makes recommendations to the City Manager and City Council on housing policy and potential affordable housing opportunities and investments. The department supports citywide planning and development as well as mediation of Landlord-Tenant matters. Major programs administered are Homeownership Assistance, Home Rehabilitation, Energy Efficiency, Landlord Tenant Relations, and Affordable Housing Development & Preservation. The chief policy initiatives that the Office of Housing works on are implementation of the City's Housing Master Plan and the Metropolitan Washington Council of Governments' Regional Housing Initiative (RHI). Approved in 2013, the Master Plan sets a goal of developing or preserving new affordability in 2,000 housing units by 2025; the RHI adds another 2,250 affordable and workforce units to the City target by 2030. In 2024, the Office of Housing began to update the Housing Master Plan.

## FISCAL YEAR HIGHLIGHTS

### All Programs

- *FY 2027 Current Services Adjustments (-\$53,955; 0.0 FTE Change)*
  - Current services adjustments reflect the change in cost of continuing the current level of service into the next fiscal year, including regular increases and/or decreases in salaries & benefits, costs, contracts, and materials. Personnel increases include a total pay scale increase of 1.5% for non-collectively bargained City employees which is budgeted for in the Non-Departmental section of the budget. In FY 2027, the cost of providing the current level of service is decreased due to turnover savings more than offsetting the increases.

### Affordable Housing Development & Preservation

- *Transfer to Capital for Affordable Housing Projects (\$0; 0.0 FTE Change)*
  - As part of the FY 2027 budget, the portion of the real estate tax dedication that is used for direct investment in Affordable Housing projects has been moved to the capital budget to better reflect the funds dedicated to Affordable Housing projects. This results in a decrease in the program's non-personnel budget and a corresponding increase in the Transfer to Capital Projects budget within the program. The Operating Budget and 10-Year CIP dedicates a total of \$11.6M to investments in Affordable Housing in FY 2027.
- *Increased Dedicated Real Estate Tax Revenue (\$943,279; 0.0 FTE Change)*
  - The FY 2027 budget includes increases due to a planned decrease in housing-related debt service and a \$124,880 increase in the dedicated revenue for affordable housing from real estate tax revenues as a result of CY 2026 assessments. The real estate tax dedication supports some operating budget costs and housing-related debt service, with the remainder available to support Affordable Housing Projects. Dedicated real estate funds available for projects totals \$4.2 million in FY 2027.
- *Decreased Meal Tax Revenue (\$-130,000; 0.0 FTE Change)*
  - The FY 2027 budget includes a decrease in dedicated revenue for affordable housing from meals tax revenues due to an overall decrease in the Citywide meals tax revenue estimate for FY 2027. The overall dedication totals \$6.4M in FY 2027 and will be transferred from the Affordable Housing Fund to the CIP.
- *Housing Leadership Cost Offsets (\$-19,116; 0.0 FTE Change)*
  - Portions of the Director's and Deputy Director's salaries will be funded with dedicated real estate tax revenue for housing, reducing the Department's General Fund contribution.

### Leadership & Management

- *Increase in Federal Grant Revenue (\$20,684; 0.0 FTE Change)*
  - Grant revenue projected for the Community Development Block Grant (CDBG) Program increased based on FY 2025 revenue received.

## FISCAL YEAR HIGHLIGHTS

### Leadership & Management

- *Shared Staffing with Finance Department (-\$4,229, 0.2 FTE Change)*
  - The Office of Housing and Department of Finance will share a full time administrative resource following colocation during City Hall's renovation. A vacant Accounting Clerk will be reclassified to a Management Analyst position to provide administrative support to both Departments. Housing's FTE count will increase by 0.2 while Finance's will decrease by 0.2 reflecting this shared resource. To fully absorb the position's increased expense, the Office of Housing reduced their overtime budget based on historical underspending.

Participates in the development process review as well as City-wide and small area planning processes to maximize opportunities for housing affordability. Performs underwriting and lending, as well as loan/grant management for multifamily projects; performs lending and asset management functions for loan portfolio, including compliance monitoring; supports and implements the Housing Master Plan, including tracking progress related to tools and goals, and provides staff support to the Alexandria Housing Affordability Advisory Committee (AHAAC).
Leadership and Management	Provides education, training and counseling, general and fiscal management (budget, HR, admin support; federal grant management, reporting and compliance), administration support, communications, outreach and partnership development and management.
Home Ownership	Provides sales and marketing for set aside and resale restricted units, as well as special homeownership programs; underwriting, lending and asset management for first time homebuyer loan assistance program; offers pre and post purchase training, including financial literacy and budget counseling, foreclosure prevention and condominium governance education. Supports the annual Regional Housing Expo.
Housing Rehabilitation	Utilizes Federal grant funds and program income to provide loans/grants to City residents to make homes and apartments safe, suitable, accessible and green. Manages all aspects of construction and accessibility projects, including coordination with resident, property owner (as appropriate) and development of work-scope and budget, and management of architect and contractor, including progress payments and inspections.
Landlord- Tenant Relations	Provides information and referrals, including to affordable housing resources; relocation support and technical assistance; mediation of landlord-tenant complaints and issues, including foreclosure prevention; compliance monitoring of set-aside affordable units; fair housing testing and training; tenant rights education. Produces an annual survey of all Alexandria rental properties and tracks market affordability trends.

# Planning & Zoning

The Department of Planning & Zoning works closely with communities to carry out the City Council's priorities, fostering amenity-rich, service-oriented and equity-balanced neighborhoods; protecting historic and cultural resources; and supporting diverse and creative businesses. In developing neighborhood plans, reviewing development proposals, and promoting economic vitality, we continue our commitment to collaborate with all stakeholder groups to honor the character of each neighborhood and to strengthen and sustain them, and Alexandria as a whole, for now and in the future.

## FISCAL YEAR HIGHLIGHTS

### All Programs

- *FY 2027 Current Services Adjustments (\$26,135; 0.0 FTE Change)*
  - Current services adjustments reflect the change in cost of continuing the current level of service into the next fiscal year, including regular increases and/or decreases in salaries & benefits, costs, contracts, and materials. Each bargaining unit's agreement can be referenced in the Personnel section of the budget book. Other personnel increases include a pay scale increase of 1.5% for non-collectively bargained City employees which is budgeted for in the Non-Departmental section of the budget. In addition to these changes, current services cost include personnel decreases due to staff turnover.

### Across Multiple Programs

- *Elimination of five Urban Planner Over Hire Positions in the following programs through attrition(-\$566,573; 0.0 FTE Change)*
  - The elimination of two Urban Planner over hire positions in Development Planning.
  - The elimination of three Urban Planner over hire positions in Land Use Services.

### Leadership and Management

- *Vacant Position Elimination (-\$103,592; -1.0 FTE Change)*
  - In order to manage costs within the available revenue, City staff conducted an evaluation of vacant positions to identify opportunities for savings. The following position was selected for elimination in the FY 2027 Budget:
    - Eliminated Vacant Position Management Analyst

### Fee Adjustments

- *Revenues from Development Fees & Historic Preservation Fees*
  - The FY 2027 budget includes an additional \$55,000 of revenues from Development Fees and \$10,035 from Historic Preservation Fees. Historic Preservation fees also include the implementation of the Minor Sign Amendment fee. These revenues have been accounted for in the Revenues section of the budget document.

## LAND DEVELOPMENT SERVICES

**Program Description:** Private investment is an important contributor for meeting the community’s and City Council’s goals of a fiscally stable, vibrant, inclusive community. P&Z’s newly structured Land Development Services facilitates delivery of development projects that align with the Council’s priorities and adopted plans and ordinances. In addition to development applications, this group processes a range of applications, including grading plans for infill development as well as Right of Way Vacations and Encroachments. The Land Development Services program includes expertise in both City Planning and Civil Engineering under the Development Planning Division and the Development Engineering Division.

## LAND USE SERVICES

**Program Description:** Land Use Regulatory Services involves managing, interpreting, and updating the City’s Zoning Ordinance. This effort includes providing guidance on zoning matters for long-range plans and development cases as well as directly reviewing non-development cases (land use Special use Permits [SUP]), Subdivisions, Special Exceptions, and Appeals for approval administratively or through a Board of Zoning Appeals public hearing. Staff also reviews construction permits and business licenses for compliance with the Zoning Ordinance. Staff enforces the Zoning Ordinance by responding to complaints and checking approved projects/SUPs on a regular basis. This program also includes the Historic Preservation Unit which serves to identify, protect, promote, and educate the public on the City’s cultural and architectural heritage

## MAJOR SERVICES

Service	Description
Land Use and Zoning Administration	Land Use and Zoning Administration involves managing, interpreting, and updating the City's Zoning Ordinance. This effort includes providing guidance on zoning matters for long range plans and development cases, as well as directly reviewing non-development cases (land use Special Use Permits (SUP), vacations, subdivisions, variances, special exceptions, and appeals to the Board of Zoning and Appeals that are approved administratively or through a public hearing. Staff also reviews construction permits and business licenses for compliance with the Zoning Ordinance. Staff enforces the Zoning Ordinance by responding to complaints and checking approved projects/SUPs on a regular basis.
Master Plans, Small Area Plans and Plan Implementation	Neighborhood Planning and Community Development (NPCD) provides community-based long-range planning and analysis regarding the physical development of the City; develops and implements the long-range planning work program; manages plan implementation to achieve planned growth and economic development; and advises other agencies on land use, design, demographics, civic engagement, and other planning issues.
Plan and Development Review	Through the development review process, the City of Alexandria strives to assure the highest quality development, consistent with Alexandria's vision for a diverse, livable, vibrant and environmentally sustainable community as outlined in its ordinances, plans and policies.
Historic Preservation and Board of Architectural Review	Historic Preservation and Board of Architectural Review staff ensures compliance with historic district requirements through the review and approval of applications for changes to structures in the City's historic districts and reviews proposals for new structures in those districts in order to maintain the high quality, reputation and character of the City's historic buildings. The Historic Preservation and Board of Architectural Review staff also conducts inventories of historic structures and provides guidance to homeowners and other building owners seeking to reinvest in the City's historic neighborhoods.

# Transit Services

Transit Services is an account reflecting City contributions and obligations to regional and local transit agencies that provide services to Alexandria residents, workers, and visitors. The City contributions fund the difference between the agencies' cost of services, gas tax, State aid, miscellaneous revenues and fare revenues. These services include the Alexandria Transit Company (ATC) DASH bus, the King Street Trolley service operated by DASH; Washington Metropolitan Area Transit Authority (WMATA) Metrorail, Metrobus and Metro Access service; Virginia Railway Express (VRE) commuter rail service; and the Transportation and Environmental Services (T&ES) managed DOT paratransit service.

## FISCAL YEAR HIGHLIGHTS

### All Programs

- *General Fund Expenditures Increase (\$1,436,753; 0.0 FTE Change)*
  - The FY 2027 General Fund expenditures for transit programs increase, primarily driven by a higher City contribution to the Washington Metropolitan Area Transit Authority (WMATA) and increased funding for DASH.
- *NVTC Pass-Through Budget Remains Unchanged (\$0; 0.0 FTE Change)*
  - The NVTC Pass-Through budget remains at the FY 2026 level and is used to partially offset the City's required WMATA regional subsidy contribution.

### DASH

- *General Fund Support to DASH Increases (\$1,590,449; 0.0 FTE Change)*
  - The FY 2027 budget for DASH and King Street Trolley reflects an increase in General Fund support primarily driven by salary adjustments required under the Collective Bargaining Agreement (CBA), and step increases based on employee seniority.
  - DASH Line 32 service between Landmark and the Van Dorn Metro Station, which was funded on a one-time basis last year, is included as a one-time funding in the FY 2027 budget.
  - In addition, during the Add/Delete process on-going funding was added by the City Council to increase the DASH Line 32 service frequency.

### King Street Trolley

- *City Contribution Remains Unchanged (\$0; 0.0 FTE Change)*
  - The FY 2027 budget for the King Street Trolley remains unchanged from FY 2026.

### DOT Paratransit

- *DOT Paratransit Budget Remains Unchanged (\$0; 0.0 FTE Change)*
  - The FY 2027 budget for DOT Paratransit remains unchanged from FY 2026. One quarter of the program's funding has been reallocated to Contingent Reserves after City Council directed department staff during the FY 2026 Add/Delete process to evaluate improvements to program performance and efficiency.

### Virginia Railway Express (VRE)

- *City Contribution Remains Unchanged (\$0; 0.0 FTE Change)*
  - The City's contribution to Virginia Railway Express (VRE) remains unchanged in the FY 2027 budget and is funded at the same level as FY 2026, in accordance with the interjurisdictional funding master agreement.

## FISCAL YEAR HIGHLIGHTS

### Washington Metropolitan Area Transit Authority (WMATA)

- *City Subsidy Increases (\$6,367,106; 0.0 FTE Change)*
  - The FY 2027 budget reflects an increase in the City's General Fund contribution to WMATA. The City's share of the regional subsidy in WMATA's FY 2027 budget increased from \$64.9 million in FY 2026 to \$71.3 million in FY 2027.
  - In addition, a higher amount of revenue is projected to be received by the Northern Virginia Transportation Commission (NVTC) on behalf of the City in FY 2027 compared to FY 2026. These NVTC funds are used to partially offset the City's required regional subsidy contribution. A table later in this section shows WMATA funding from both City and non-City sources.

DASH (ALL FUNDS OPERATING BUDGET)

**Program Description:** DASH provides fare-free Citywide Bus services and also operates fare-free King Street Trolley from King Street Metro to the Waterfront. The following table outlines the combined sources and uses of funds for both the DASH bus network and the King Street Trolley program.

(1): Includes DRPT and NVTC grants approved mid-fiscal year.

(2): In addition to direct non-City funding sources, the City receives additional support from NVTA and NVTC in recognition of its contributions to public transit. This includes approximately \$13.2 million annually from NVTA's 30% revenues under HB2313. Additionally, the City receives state aid through the NVTC fund to support eligible local transit expenditures, as outlined in DRPT's Six-Year Investment Plan. This state aid was allocated at \$17.9 million for 2025, \$9.6 million for FY 2026, and is projected at the same level in FY 2027. The NVTC Trust and NVTA 30% funds primarily offset the City's General Fund contribution to WMATA's capital and operating subsidy, ensuring sustained investment in public transit.

# Transit Services

## MAJOR SERVICES

Service	Description
Affordable Mass Transit	DASH circulates buses throughout all neighborhoods in the City of Alexandria, providing a convenient, accessible, and free of charge mass transportation option for all commuters.
Development and Implementation of Vision Zero	DASH works closely with City of Alexandria staff to contribute towards Vision Zero by encouraging DASH drivers and riders to incorporate safe everyday practices, explore the feasibility of pedestrian collision avoidance systems for DASH buses, and produce annual reports highlighting reductions in bus related injuries and fatalities.
Specialized Transportation	DOT Paratransit program provides specialized transportation services for residents of the City of Alexandria and visitors who cannot use regular transit buses or rail due to their disability.
King Street Trolley	The King Street Trolley provides free accessible rides to community members and visitors along King Street, connecting Old Town and the King Street Metro station. These services encourage mobility of tourism in Old Town by providing easy access every two blocks to more than 180 shops, restaurants, and attractions along King Street.

# Transportation & Environmental Services

The Department of Transportation and Environmental Services (T&ES) strives to improve the overall quality of life within the City of Alexandria through the development and maintenance of a superior infrastructure. In order to contribute to the physical, social and economic growth of the City of Alexandria, the T&ES employee team provides services of the highest quality in the areas of engineering, environmental quality, traffic control, transit, construction inspection and surveying, street, sewer and fire hydrant maintenance, fleet management services, and trash, recycling and yard waste collection.

## FISCAL YEAR HIGHLIGHTS

### All Programs

- *FY 2027 Current Services Adjustments (\$1,496,986; 0.0 FTE Change)*
  - Current services adjustments reflect the change in the cost of continuing the current level of service into the next fiscal year, including regular increases and/or decreases in salaries & benefits, costs, contracts, and materials. Personnel increases include a total pay scale increase of 1.5% for non-collectively bargained City employees which is budgeted for in the Non-Departmental section of the budget.
- *Collective Bargaining Wage Adjustments (\$576,437; 0.0 FTE Change)*
  - The FY 2027 budget includes salaries and fringe benefit increases for the positions covered by the Admin and Tech and Labor and Trades collective bargaining agreements. The budget for these adjustments aligns with the agreements' terms and includes pay increases, special pays, longevity bonuses, and annual merit increases. In FY 2027, the total cost of the CBAs for the department is \$576,437.

### Multiple Programs

- *Vacant Position Elimination (-\$412,491; -3.5 FTE Change)*
  - In order to manage costs within the available revenue, City staff conducted an evaluation of vacant positions to identify opportunities for savings. The following positions were selected for a partial-year position freeze or elimination in the FY 2027 Budget:
    - Eliminated vacant Administrative Support V
    - Eliminated vacant Management Analyst III
    - Eliminated vacant Transportation Planner
    - Eliminated vacant Principal Planner
  - The elimination of these positions *reduces* the total FTE count by 3.5 across multiple program areas, including Leadership and Management (0.8 FTE), Sanitary and Sewer Maintenance (0.1 FTE), Sanitary Infrastructure (0.1 FTE), Transportation Planning (2.0 FTE), and Traffic Management (0.5 FTE).

### Leadership and Management

- *Equipment Replacement Cost Reduction (-\$104,030; 0.0 FTE Change)*
  - The FY 2027 budget reflects a decrease in non-personnel expenditures due to adjustments in the planned vehicle replacement schedule for the department. The revised replacement timeline reduces current-year equipment replacement costs while maintaining long-term fleet management planning.

### Sanitary Infrastructure

- *CIP Funding Reduction (-\$11,504,453; 0.0 FTE Change)*
  - The FY 2027 budget for Sanitary Infrastructure includes a \$12,190,473 reduction in the cash capital transfer to the CIP, partially offset by a \$686,020 increase in debt service.

## FISCAL YEAR HIGHLIGHTS

### Resource Recovery

- *Replacement of Dumpsters at City Facilities (\$70,000; 0.0 FTE Change)*
  - The FY 2027 budget includes one –time funding to replace commercial trash dumpsters at City facilities that are damaged or have exceeded their useful life, ensuring replacement based on condition and age.
- *Reduction in Transfers to CIP (-\$650,000; 0.0 FTE Change)*
  - The FY 2027 program budget decrease is driven by reduced transfers to the Capital Improvement Program (CIP).
- *Reduction in Contractual Services (-\$248,000; 0.0 FTE Change)*
  - The FY 2027 budget reflects lower program costs primarily due to reduced contractual services expenditures related to tipping fees under the waste disposal agreement. The reduction reflects full-year cost savings, as the agreement was implemented partway through FY 2026.

### Transportation Planning

- *Other Non-Personnel Increase (\$1,583,347; 0.0 FTE Change)*
  - The FY 2027 program budget reflects higher non-personnel expenditures within the Potomac Yard Special Revenue Fund due to an increase in the real estate tax transfer from the General Fund to the Potomac Yard Fund. These revenues are recorded in fund balance and are used to fund operating costs and debt service associated with the financing of the Potomac Yard Station.
- *Increase in Transfers to CIP (\$3,499,600; 0.0 FTE Change)*
  - The FY 2027 program budget includes increased interfund transfers to support the DASH fleet replacement project within the Capital Improvement Program (CIP) portfolio.

### Traffic Management

- *Street Lighting Increase (\$76,729; 0.0 FTE Change)*
  - The FY 2027 budget reflects an increase in street lighting costs due to higher electric utility rates.
- *Parking Meter Processing Fee Reduction (-\$40,000; 0.0 FTE Change)*
  - The FY 2027 budget reflects lower credit card processing fee expenditures as more residents use the parking app, resulting in reduced transaction costs.
- *Municipal Fiber Network Maintenance & Repair Services (\$143,000; 0.0 FTE Change)*
  - The FY 2027 budget includes \$143,000 through a technical adjustment for the Municipal Fiber Network Maintenance and Repair Services as the procurement process was finalized after the budget was proposed.

## FISCAL YEAR HIGHLIGHTS

### Mobility Services

- *Capital Bikeshare – Equipment & Maintenance Increase (\$300,000; 0.0 FTE Change)*
  - The FY 2027 budget includes an increase to support equipment and maintenance costs as bike stations are expanded throughout the city in accordance with the Transportation Improvement Plan.
- *Increase in Transfer to CIP (\$160,000; 0.0 FTE Change)*
  - The FY 2027 budget includes \$160,000 through a technical adjustment for the local match for the Transit Access & Amenities Program that was awarded after the budget was proposed.

### Stormwater Management

- *Increase in Transfers to CIP (\$584,600; 0.0 FTE Change)*
  - The FY 2027 budget includes an increase in cash transfers to the Capital Improvement Program (CIP) to support stormwater infrastructure projects and Project Implementation program personnel costs.
- *Debt Service Increase (\$366,048; 0.0 FTE Change)*
  - The FY 2027 budget also reflects higher debt service costs associated with prior stormwater capital investments.

### Fleet Management

- *AVL and GPS—Telematics System (\$89,398; 0.0 FTE Change)*
  - The FY 2027 budget includes funding to implement the Automatic Vehicle Locator (AVL) and GPS-Telematics System, an enhanced vehicle data collection and telematics system that provides location tracking and early identification of equipment malfunctions, enabling a more cost-effective preventive maintenance approach.
- *Reduced Fuel Costs (-\$590,120; 0.0 FTE Change)*
  - The FY 2027 budget reflects a reduction in the fuel budget primarily due to lower unit prices paid for fuel, rather than a decrease in service levels.
  - Fleet Management reviews vehicle utilization, maintenance costs, and fuel transaction history annually to inform decisions related to vehicle replacement and reallocation for efficient and optimal use of City vehicles.

## FISCAL YEAR HIGHLIGHTS

### Project Implementation

- *Transfers to CIP (\$2,303,000; 0.0 FTE Change)*
  - The FY 2027 program budget includes a cash transfer to the Capital Improvement Program (CIP) to support Project Implementation program costs. These expenditures are funded by the Sanitary Sewer Fund (\$732,000) and the Stormwater Utility Fund (\$1,571,000).
- In FY 2027, the Project Implementation Program is reported under the Department of Transportation & Environmental Services and is budgeted entirely within the CIP. Unspent personnel and non-personnel funds from the program carry forward across fiscal years.
- *Vacant Position Elimination (\$0; -3.0 FTE Change)*
  - In order to manage costs within the available revenue, City staff conducted an evaluation of vacant positions to identify opportunities for savings. The following positions were selected for a partial-year position freeze or elimination in the FY 2027 Budget, and FY 2027 - FY2036 CIP:
    - Eliminated vacant Director
    - Eliminated vacant Deputy Director
    - Eliminated vacant Management Analyst I\*

\* The elimination of these three positions does not directly impact the department's Operating Budget. The associated savings are reflected in the operating budget's cash capital transfer to the CIP. For more details, please refer to the CIP Cash Capital section under **Non-Departmental**.

## PROJECT IMPLEMENTATION

**Program Description:** Project Implementation focuses on the delivery of the City’s portfolio of capital infrastructure projects, improving the quality and efficiency of project execution through the application of best-practice project management methods. The team of Project Managers, Construction Managers, and Project Controls staff are responsible for the implementation of capital infrastructure projects, including multimodal transportation (transit, bicycle/pedestrian improvements, and pedestrian bridges); flood mitigation, and storm water system and water quality improvements; sanitary sewer improvements; bridge maintenance and rehabilitation; park design; and, historic preservation projects. The program manages multi-departmental projects, and provides project management for various City initiatives. The program establishes standards, training, tools, and best practices for delivery of City infrastructure projects.

The FY 2025 Actual and FY 2026 Approved amounts are included here for historical comparison, though they were not previously part of the T&ES budget. In FY 2026, staff and related appropriations were transferred to the Project Management Program within T&ES.

## SANITARY SEWER FUND

The Sanitary Sewer fee remains unchanged in FY 2027, remaining at \$2.28 per 1,000 gallons. Revenue collected from line maintenance and sewer connection fees supports inspections and repairs of storm and sanitary sewers, addressing stoppages, and replacing sewer mains as necessary on a routine basis. In FY 2027, the budget does not rely on the use of fund balance due to decreased transfers to the Capital Improvement Program (CIP).

## STORMWATER UTILITY FUND

The Stormwater Utility Fee enables the City to fund stormwater management, to include capital projects and operating programs under Flood Action Alexandria, and to meet Chesapeake Bay cleanup mandates more equitably. This fee distributes the funding burden fairly by aligning the fee amount with the impervious surface area on each property. Residential properties, including condos, townhomes, and single-family homes, are billed using a tiered method. On the other hand, non-residential properties—such as commercial, industrial, apartments, non-profits, and religious properties—are billed using a variable method, with the fee individually calculated for each property. The FY 2027 Budget raises the Stormwater Utility rate from \$340.30 to \$357.40.

<b>Stormwater Management Utility Fee</b>	<b>FY 2027 Approved</b>

## TRANSPORTATION IMPROVEMENT PLAN (TIP)

The Transportation Improvement Program (TIP) Fund comprises the City's reserved real estate tax revenue of 2.2 cents, earmarked to fund transportation and transit capital infrastructure, along with associated operating expenses. The TIP remains steadfast in supporting programs such as Capital Bikeshare, King Street Trolley service, bus shelter maintenance, and street repair. Moreover, to bolster public transit, \$1.3 million of TIP funding is allocated to WMATA's subsidy, with an additional \$2.8 million allocated to DASH operations for FY 2027.

## RESIDENTIAL REFUSE FUND

The City of Alexandria collects trash, recycling, and yard waste from its residential customers once a week on a designated collection day. Residential customers are charged a Solid Waste User Fee on the residential tax bill on a bi-yearly basis. In FY 2020 the program was moved from the General Fund to a separate self supported special revenue fund. For FY 2027, the Residential Refuse fee will remain at \$500, with a decreased use of fund balance due to reduced transfer to CIP to support select capital projects.

## HB2313 (NVTA 30% )FUND

The HB2313 fund must include NVTA 30% revenue and at least the City's 12.5 cent of the commercial and industrial real estate value equivalent revenue from the General Fund to be spent on transportation. In order to be eligible for Northern Virginia Transportation Authority (NVTA) Regional 30% funds, the City is required to deposit at least the equivalent of a 12.5 cent of the commercial and industrial real estate tax value into the HB2313 Fund, and then transfer that amount to a separate fund for transportation. The 12.5 cent commercial and industrial real estate tax equivalent for FY 2027 is \$10,274,087. To satisfy this requirement, the DASH Operating General Fund subsidy of \$36,074,246 in FY 2027 is transferred through the HB2313 Fund.

The Fiscal Year (FY) 2027 revenues obtained from NVTA 30% funding are earmarked to support the following operations: \$2,046,000 for WMATA operating costs; \$10,352,000 for the WMATA capital subsidy; and \$150,000 as contingent funding for T&ES staffing. These allocations are strategically planned to ensure the effective utilization of resources and the advancement of key public transportation initiatives within our jurisdiction.
