RPP Refresh Topic #2: Posted Restrictions

Current Conditions:
- City Code allows for 32 variations of posted restrictions:
  - 2-hour or 3-hour limit for non-district parkers
  - End times: 5PM, 9PM, 11PM, 2AM
  - Days of the week: Mon-Fri, Mon-Sat, Mon-Sun
- Residents can request any of these restrictions when submitting a petition

Challenge/Problem:
- Restrictions are inconsistent across blocks and throughout a district
- Variety of restrictions makes it difficult to enforce
- Variety of restrictions is difficult for visitors to understand
- 3-hour restrictions are more difficult to enforce
- In some cases, 2-hour limits are too long to encourage off-street parking

Background Data:
1. Summary of potential restrictions
2. Residential parking restrictions by district

Potential Options:
1. Eliminate 3-hour limits or specify which districts they are appropriate
2. Reduce the end time options to 2 options and consider if different times are needed
3. Consider the need for 1-hour parking limits and criteria for where it would be allowed
4. Require the same restriction on both sides of the block or for an entire district
5. Create a buffer for blocks along district boundaries that allows vehicles from both districts (e.g. 2-hour parking except for District 3 and 5 permit holders)
6. Increase the fine for a residential permit parking violation.

Administrative Updates:
1. Clarify a vehicle without a permit must move off the block after time expires. Currently the City Code does not explicitly address where a vehicle must move after time expires.
