Residents in District 12 interested in adding daytime parking restrictions to their block can make the request through a petition signed by occupants of more than 50% of the residential properties within the proposed area. Please use the petition on the following pages.

Frequently Asked Questions

Can owners of rental property sign the petition?

Only persons residing at the property can sign the petition. If an owner of property included in a petition does not live at the property, he is not eligible to sign the petition. Renters of the property are eligible to sign the petition.

Can multiple occupants sign the petition to meet the 50% requirement?

Yes, but only one signature per residential property will be counted towards the 50% requirement.

What is considered a block?

A block is the portion of a city street between two intersecting streets or, in the case of a dead-end street, such as a cul-de-sac, between the street's end and an intersecting street.

How are corner properties counted?

Corner properties should be included on any petition affecting the property's frontage. A corner property may not be addressed with the subject street but would still be included in the overall petition since signage would be adjacent to the property.
