

# Garden Series:

## Extending Your Growing Season

- Wednesday, October 4, 2017
- 6 - 8 p.m.
- Chinquapin Recreation Center  
3210 King St. Alexandria, VA  
Parking available onsite

**Free! No Registration Required!**

**Our class will go to Chinquapin Garden where we will build our own season extension structure. Afterwards, we will return to the classroom for a lively discussion about various season extension techniques.**

**All levels of experience are welcome**

**Guest Speaker:** Christian Melendez is the Growing Manager at Mary's Land Farm. He previously managed the Edmonston Urban Farm at ECO City Farms, and has worked on a variety of rural and urban farms, trying to blend best practices from both, while assisting others in their own growing adventures.
