West End Talks

Urban Planner, Planning and Zoning - Presents

Who Do You Think You Are?

Based on the 2010 Census, **Mr. Mann** presents demographic information about who we are, who are the citizens that make up Zip Code 22304? The 2000 Census declared Zip Code 22304 the most diverse zip code in the entire country! Are we still that diverse? In 2001, 66 languages were spoken at home by Hammond Middle School students. Who are we today and what does the 2010 Census tell us?

Come hear who we are, and how the West End might be the most mosaic corner of Alexandria.
