Potomac Yard Metrorail Station
Environmental Impact Statement

Scoping Meeting

February 10, 2011

Purpose of Today’s Meeting

An Environmental Impact Statement (EIS) is being prepared for a new Metrorail Station at Potomac Yard. At today’s meeting, we need your input on:

- Purpose and need for the project
- Alternatives being considered
- Key environmental considerations
- Public involvement and agency coordination process

Please provide us with your comments!
Purpose of Scoping

Scoping takes place at the start of the process to notify agencies, organizations, and the public that an EIS is being prepared for the project.

- Solicits input from the public
- Helps guide the direction of the EIS
- Ensures that agencies and the public understand what the EIS is about and how it is being prepared

Study Area
Purpose and Need

• Improve access to regional Metrorail system
• Accommodate current and future population, employment, and travel demand
• Increase transit ridership and mode share
• Provide infrastructure improvements that are cost-effective and financially feasible
• Enhance safety for transit riders and pedestrians
