Property Owner's Affidavit

Business License Application Checklist

GENERAL REQUIREMENTS

- 5 plan sets, scaled or dimensioned, size no smaller than 8 1/2" x 11" and no larger than 24"x36"
5 copies of the approved site plan or current survey plat, showing the location of the proposed sign.

Ground Mounted, Pole, Freestanding or Monument Signs (A billboard or similar type of sign which is supported by one or more uprights, poles or braces in or upon the ground other than a combination sign or pole sign. (IBC H102))

- Professional signed and sealed dimensioned and scaled drawings of the proposed sign(s) and any existing sign(s) to remain. Plans must provide architectural and structural details including measurements, materials, elevations and foundations.
Submit wind-shear calculations (USBC Chapter 16 and City Code Section 5-29) as required.

Wall Signs (Any sign attached to or erected against the wall of the building or structure, with the exposed face of the sign in a plane parallel to the plans of said wall. (IBC H102))

- Dimensioned and scaled drawings of the proposed sign(s) and any existing sign(s) to remain. Plans must provide building elevation, sign location, materials and attachment details.

Projecting or Hanging Sign (Sign projects from and is supported by a wall of a building or structure.)

- Dimensioned and scaled drawings of the proposed sign(s) and any existing sign(s) to remain. Plans must provide building elevation, sign location, materials, attachment details and height above sidewalk, alley or parking area.

Roof Signs(Replacements Only) (A sign erected upon or above a roof or parapet of a building or structure. (IBC H102))Roof signs are prohibited by Zoning Ordinance section 9-104(O). Only replacements of existing noncomplying roof signs may be applied for and must obtain P&Z approval before applying for a sign permit.

- Professional signed and sealed dimensioned and scaled drawings of the proposed sign(s) and any existing sign(s) to remain. Plans must provide architectural and structural details including measurements, materials, elevations and anchorages.
If electrical work is associated with the sign, an Electrical Permit is required and sign permit plans indicate Electrical Service connection/ size (AMPS) and grounding of services

PLANNING & ZONING (P&Z) REQUIREMENTS 703.746.4333

- Linear frontage of the business indicated on the plans and the sign permit application
Photograph(s) of the building showing existing conditions, including any existing signs.
The property is located in a Historic District and applicant has obtained Board of Architectural Review (BAR) approval or Administrative BAR staff approval for the work. The proposed sign(s) complies with all conditions of the approved BAR case. BAR case number: _____
The property or use is regulated by a Special Use Permit (SUP), Development SUP (DSUP) or

Development Site Plan (DSP) and the proposed sign complies with all conditions of the approval.
SUP/DSUP/DSP case number: _____

TRANSPORTATION & ENVIRONMENTAL SERVICES (T&ES) REQUIREMENTS 703.746.4035

- If the sign is placed to encroach into the public right-of-way, a certificate of liability insurance, naming the City of Alexandria as an additional insured shall be submitted with this application prior to T&ES review. Per section 5-29 of the City Code.

HEALTH DEPARTMENT REQUIREMENTS 703.746.4910

Health Department review is required if the proposed work involves at least one of the following:

- Aquatic facility including pools, spas and interactive water features
- Food establishment including restaurants, grocery stores, vending machines
- Day Care
- Marina
- Sewer facility
- Transient lodging facility (Including Hotels, Motels and bed and breakfast)
- Wells, including drinking water well, geothermal heat pump well and/or irrigation well
- Mobile food truck

If Health Department review is required, please contact the Health Department.

FINANCE REQUIREMENTS 703.746.3898

The following parties involved in the proposed project should apply for a City business license as soon as possible or verify their existing City business license is current, as they renew annually:

- Business Owner
- General contractor and/or trade contractor(s)

Visit the Permit Center or the City's Finance Department website for more information:
