PREPARING FOR A FUTURE THAT WORKS

COLLEGE READINESS WORKSHOPS

The College Readiness Workshop helps youth become competitive college/university applicants. The workshop is enrichment focused offering: individual college counseling, admissions essay writing, tutoring, college test preparation, and financial aid planning.

Many students do not consider college an option because of the cost. The YCA offers workshops to prepare early for financing a college education, and on how to tap into free money such as fee waivers, scholarships, and grants.
