The Office of Management and Budget staff wish to acknowledge the Office of Performance and Accountability staff, General Services staff in the Mail Services Division, and the City's Electronic Publishing Staff in the Office of Communications for their assistance in the preparation of this budget document.

The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to the City of Alexandria, Virginia for its annual budget for the fiscal year beginning July 2013.

In order to receive the award, a governmental unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan, and as a communications device.

**The award is valid for a period of one year only.** We believe our current budget continues to conform to program requirements, and we are submitting it to the GFOA to determine eligibility for another award.
