---	------------	--	--	--

We are replacing 4 existing vinyl windows with new Marvin Wood Ultimate Double Hung windows. The 3 DH on the side will be Single glazed with TDL (true divided lites) and no spacer bar. These 3 DH will also have a storm window combination to reduce noise. The remaining 1 DH in the back kit facing the back yard will be double glazed with SDL (simulated divided lites) and a bronze spacer bar between SDL's. No storm window combination will be on this window. We are installing appropriate wood exterior trim after installation of these 4 full frame windows. The BAR of Alexandria told me that the specs I'm proposing are approved by their office.No change in size.
