Revision: Removed the existing 10' x 10' greenhouse and enlarge the garage to be the original size to fit entirely within the 22' x 22' existing slab. there is no cost difference from the original application. Actually we will be spending less since we do not have to pour new footings. Adding a detached garage on an existing slab. The existing slab was built under permit BLD2015-02288 and GRD2015-00037
