Updated version – November 2017

Introduction

The City of Alexandria’s first Strategic Plan took effect in 2004, and the community principles it included still resonate today. This plan was updated in 2006 and again in 2010 to reflect changes and “new realities” in the community.

The FY 2017 – FY 2022 Strategic Plan builds upon our past strategic plan’s foundation while updating it for the future. This was accomplished through a collaborative effort whereby the community was engaged through meetings and online forums guided by the City’s engagement approach, What’s Next Alexandria. The result of this effort is a vision, measurable key indicators, and alignment with adopted plans and policies.
Alexandria’s VISION

In 2022, Alexandria is a historic, inclusive city of kindness, with distinct, vibrant and safe neighborhoods, a well-managed government, flourishing arts, culture, and recreation, a strong economy, thriving children and youth, active and secure older adults, environmental sustainability, healthy residents of all ages, and multimodal transportation.
Making the Vision a Reality

Our City’s vision contains 10 thematic areas, key indicators, and action items that the City is focused on achieving. To further understand and achieve our vision, each of these 10 themes is explained below. Although these themes are described separately, they are intertwined and impact one another.
Accompanying each theme are four sections:

1. The first section contains a paragraph that describes what the theme means to the community.
2. The second section is a set of indicators with targets that provide actionable goals the City is striving to influence and achieve. These indicators and targets help us track our progress, successes, and challenges. By making the indicators a primary part of the plan, the City is committing to tracking and reporting on the progress of the plan to the community throughout the life of the document.
3. The third section is a list of important deliverables for each theme.
4. The fourth section includes the City’s plans, documents, and policies that support achieving each theme and related indicators.
Distinctive and Vibrant Neighborhoods

In 2022, Alexandria values its history, honors its diverse communities, and respects its distinct, vibrant and walkable neighborhoods. The city has a small-town feel and is committed to sustaining a high quality of life in its urban, suburban and commercial areas. Alexandria is committed to historic and archaeological preservation and interpretation, honoring its historic legacy. Alexandria has complementary and varied architecture and a beautifully built environment, and the City ensures that new development and infill are compatible with the character of Alexandria’s neighborhoods, natural environment, and historic resources.

Key Indicators to Achieve by 2022

- Maintain the percentage of residents satisfied with the city’s historic preservation at or above 2016’s 83%
- Maintain the percentage of residents with a positive view of the overall quality of new development in Alexandria at or above 2016’s 64%
- Maintain the percentage of residents with a positive view of their neighborhood as a place to live at or above 2016’s 83%

Action Items (through FY 2018)

- Digitize historic documents that illustrate changes to the city’s urban landscape
- Commemorate and interpret Alexandria’s role in WWI
- Continue preservation of the historic ship and other artifacts from Alexandria’s waterfront
- Provide stakeholder trainings for the design and development community to strengthen partnerships, reduce compliance issues and expedite the construction process

Inclusive City

In 2022, Alexandria is a caring, kind, compassionate, fair, just and equitable city that supports an affordable and livable community for all. As an inclusive city, there is no place for intolerance in the community. Further, the city is committed to and values our diversity. Alexandria provides high-quality social services to eligible residents to reduce poverty and increase self-sufficiency. The city is welcoming to people in all stages of life and is known as an age-friendly community. The city has closed the broadband gap by ensuring quality access to all residents.

Key Indicators to Achieve by 2022

- Reduce the percentage of low- and moderate-income households considered to be housing cost burdened from 2015’s 67%
- Increase the percentage of residents who do not perceive barriers to living in Alexandria based on age, gender, race, national origin, religion, disability, or sexual orientation from 2016’s 80%
- Reduce the percentage of residents living in poverty from 2014’s 9.6%
- Maintain the unemployment rate below the regional, state and federal unemployment rates
- Reduce homelessness from 224 persons in 2016 to 173

Action Items (through FY 2018)

Flourishing Arts, Culture and Recreation

In 2022, Alexandria has a network of accessible parks and public open spaces that define neighborhoods and provide connections to local and regional open space systems and trails. Alexandria’s parks will be a combination of active and passive open spaces and are intended to integrate historical interpretive elements and public art. The design of these spaces will create and enhance active public gathering places for neighborhood performances, concerts, and cultural activities. Arts, culture and recreation activities are available and accessible to residents of all ages and to those with disabilities.

Key Indicators to Achieve by 2022

- Maintain the percentage of residents satisfied with opportunities to attend arts, culture, and music activities at or above 2016’s 74%
- Maintain the 2015 rate of 7.3 acres of open space per 1,000 residents
- Increase the percentage of Alexandria households participating in recreation programs from 2016’s 52%

Action Items (through FY 2018)
