## A Conversation with Lisa Guernsey

*Interviewed by Patrick Welsh, Former TC Williams English Teacher  
and Contributor to The Washington Post*

Come hear Lisa Guernsey, expert on young children and technology, talk with Pat Welsh about navigating the complicated world of screens and learning to read in a digital age. Lisa will take questions and share stories from *Tap, Click, Read*, her recent book written with Michael H. Levine. Book signing after the event. Book sale proceeds go to early childhood research.
