by June 2nd

The Women's History Tour covers many different sites in a one mile abbreviated tour. The tour highlights the achievements of women in Alexandria. Through the dedication, and advocacy of Susan Lowell Butler, the Alexandria Commission for Women, and Friends of the Commission for Women, the stories of Alexandria's women, from past to present, live on in the Women's History Tour.

A small reception with refreshments will follow the tour at the Lloyd House located at 220 N. Washington Street.

In case of rain, the tour will be held on Sunday, June 5th
