Decision on the Challenge of the Voter Registration of Alicia R. Hughes

This issue arose when three registered voters of Alexandria, Michael Reid, Hector Huezco and Ronald Rigby challenged the validity of the voter registration of Alicia R. Hughes. Pursuant to 24.2-429 of the Code of Virginia, a hearing was held by the General Registrar of the City of Alexandria. After hearing from two witnesses and considering the documentary evidence I find by a preponderance of the evidence the following facts:

1. At the present time, Ms. Hughes resides in the City of Alexandria
2. At the present time, Ms. Hughes maintains a place of abode in the City of Alexandria
3. Ms. Hughes has the present intention of remaining a resident with a place of abode in the City of Alexandria.

Accordingly, I determine that Ms. Hughes is validly registered in the City of Alexandria.
