### **REAL ESTATE TAX EXEMPTION OR DEFERRAL**

### ELIGIBILITY REQUIREMENTS

1. The property for which an exemption or deferral is requested must be owned, or partially owned, by the applicant on January 1, 2009.
2. As of January 1, 2009, the applicant **must occupy** the property for which the exemption or deferral is sought as his or her sole residence and must occupy the property throughout the year.
3. Any applicant who is residing in a hospital, nursing home, convalescent home, or a facility for physical or mental care will be considered as having met condition 2, as long as the property owner does not rent or lease the property owned for monetary compensation.
4. The applicant occupying the property and holding title or partial title thereto must be either 65 years of age or older or permanently and totally disabled **on or before November 15, 2009**. (If the applicant's 65<sup>th</sup> birthday occurs during 2009, the tax relief is prorated.)

## INCOME AND ASSET REQUIREMENTS

1. The **total combined household gross income** of the applicant and his/her spouse seeking an exemption shall not have exceeded **\$72,000 for calendar year 2008**. Total combined household gross income includes the income of the applicant and, if living in the home, the applicant's spouse, as well as that of any other owners or relatives of the applicant or spouse living in the home. There are two possible exclusions: 1) for a relative: any amount up to \$10,000 of income of any relative who is not the spouse living in the property; and 2) for a disabled person: up to \$10,000 of income of the applicant, and any other owner residing in the property, who is totally and permanently disabled shall be excluded.
2. The net combined financial worth (assets) of the applicant and his/her spouse, excluding the house and lot up to two acres, shall not exceed **\$540,000, as of December 31, 2008**.
3. The amount of exemption is based on total combined household gross income levels. Applicants with incomes of \$40,000 or less will receive a full exemption, and applicants with incomes from \$40,001 to \$72,000 will receive a partial exemption. Applicants with incomes from \$40,001 to \$55,000 will be exempted from 50% of the real estate taxes on their home. Applicants with incomes from \$55,001 to \$72,000 will be exempted from 25% of the real estate taxes on their home. All applicants granted a partial exemption may opt to defer the remaining balance of the real estate taxes on their home. Applicants with not more than \$72,000 of income may defer all real estate taxes.
4. Taxes exempted under this program do not have to be repaid at a later date. Taxes deferred under this program must be repaid when the property changes ownership. The remaining balance of unpaid deferred taxes shall accrue interest at the rate of five percent (5%) per year from the date of the deferral until the taxes are paid in full.
