Highlights

- In FY 2012, the Approved General Fund budget decreases by \$1,369,049 or 2.6%.
- FY 2012 personnel costs decrease by \$1,735,832 or 3.9% primarily due to a transfer of 37.0 positions¹ in FY 2011 and FY 2012 from the Police Department to the Department of Emergency Communications. These reductions are partially offset by a Merit Step increase, increased benefit costs, and the addition of two Special Police Officer (SPO) positions to provide security at to the new Police Facility.
- Total non-personnel costs increase by \$369,494 or 5.2%. This increase is primarily due to costs associated with the new Police Facility including moving expenses (\$350,000), costs for contracted security personnel (\$247,265), and utilities costs (\$358,000) due to the move from leased space to City owned space. The increases in non-personnel costs are partially offset by lease savings from office space rentals of \$951,130. In future years, non-personnel costs should be lower due the one time nature of much of the costs associated with the move to the new Police Facility.

¹ Transfer of 37.0 positions includes 33.0 positions from the Call Handling and Dispatching Calls for Service activity and 4.0 positions from the Information Technology Management activity.
