Highlights

- The FY 2012 approved RPCA General Fund budget increases by \$497,062, or 2.6%.
- FY 2012 personnel costs increase by \$444,893, or 3.1%. This increase is partially due to a reduction in turnover savings (\$82,700) and increases in seasonal employee expenditures (\$238,568) to reflect anticipated actual spending in FY 2012. This increase is also due to merit step and benefit cost increases for employees. Two RPCA IT positions were transferred to the City's central ITS operations.
- Additional funding has been provided to fund the costs of seasonal employees to water and maintain tree and tree wells as well as beautification plantings in the City (\$67,174); also, added funds for the cost of seasonal employees (\$27,726) to provide staff support at the new youth and adult sports programs mentioned below.
- Total non-personnel costs increase by \$71,819, or 1.4%, partially due to base budget adjustments to maintain current services described on the following pages including, Carlyle Park maintenance (\$34,400), Potomac Avenue median maintenance (\$10,000), new open space maintenance (\$10,500), the Route 1 median maintenance (\$2,500) and the Sacandaga Totem site maintenance (\$5,000). The increase is also due to the non-personnel costs associated with the recommended supplemental requests described on the following pages, including a new youth sports program (\$19,093), a nature buddies program (\$24,425), a new adult sports program (\$10,000); and, to fund replacements for aquatic equipment and amenities (\$22,210).
- As a result of the Potomac Yard Development being completed during FY 2012, City Council during the Add/Delete process deferred a supplemental for Potomac Greens Park Maintenance (\$62,500) until FY 2013.

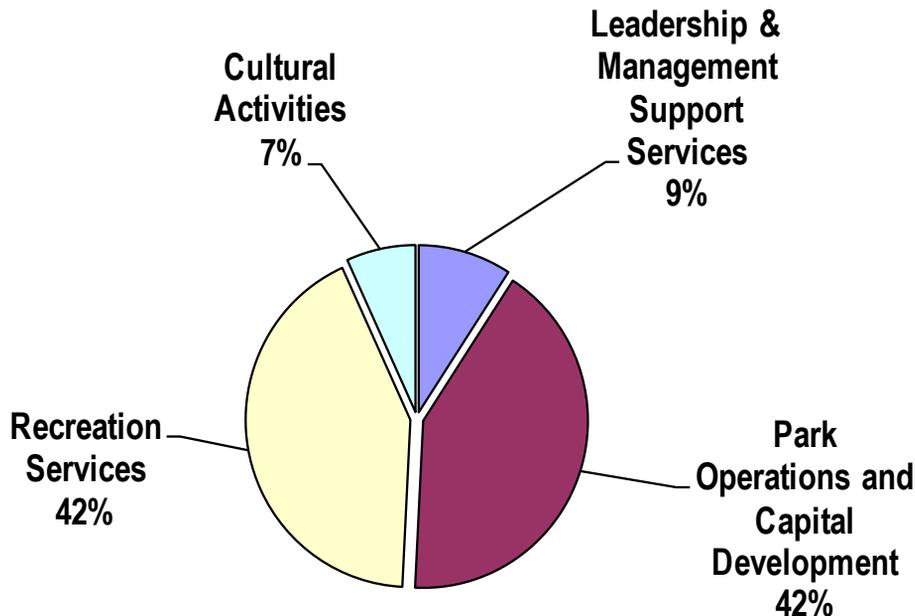

Highlights, continued

- Capital Outlay decreases by \$52,516, or 10.7%, due to changes in scheduled vehicle replacements in FY 2012. The City's mobile stage equipment purchased in 1995, is scheduled to be replaced in FY2012. The cost for this (\$150,000), is funded from the department's existing equipment replacement fund balance
- As part of the Add/Delete technical adjustment process, the Mobile Stage replacement's depreciation expense (\$10,000) was deferred until FY 2013, to reflect the first full year of ownership.
- FY 2010 actual expenditures reflect \$300,000 transferred from RCPA to the Non-Departmental budget to fund the City share of costs related to the winter 2010 snowfall.

Highlights

- The overall operating budget request for all member jurisdictions of the Northern Virginia Regional Park Authority remains unchanged in FY 2012 from the FY 2011 Approved Budget. NVRPA has kept the per capita rate for appropriations flat for the fifth consecutive year.
- Additionally, in order to ensure that jurisdictional appropriations remain unchanged from FY 2011, NVRPA did not update population figures for FY 2012.
- In order to keep jurisdictional subsidies flat, NVRPA has reduced full-time staffing by 5.0 FTE, or 3.6%, from FY 2011 to FY 2012. The organization has also continued to diversify enterprise operations in order to enhance other revenue sources.
