Virginia Retail Sales and Use Tax REGISTRATION

Every business located in Virginia that sells at retail must register with the Virginia Department of Taxation to collect Retail Sales and Use Taxes.

A percentage of the Retail Sales and Use Tax collected by each retailer is distributed to the Virginia City or County where the sale occurs.

- Your online registration for Retail Sales and Use Tax will require a physical business location which is the address where your business will conduct retail sales
- Please notify Virginia Department of Taxation of any changes or additions to business location addresses
- The retail sales address you enter online should result in a FIPS (Federal Information Processing Standard) Code of 51510, which is the Code for the City of Alexandria.
- If you have any questions about which code to use or need assistance with the registration please call the VATAX Registration Unit at (804) 367-8057
