

CITY OF ALEXANDRIA FIREFIGHTERS AND POLICE OFFICERS PENSION PLAN COLA

Calculations of the Cost of Living Adjustment (COLA) for the City of Alexandria Firefighters and Police Officers Pension Plan use the Consumer Price Index (CPI-U) table below. This data is copied from the U.S. Department of Labor web site.

COLAs are calculated using the lower of a) 3% or b) the January CPI of the current year divided by the January CPI of the previous year minus 1. You are eligible to receive the 2012 COLA if you were receiving a pension on or before May 1, 2011. COLAs will stop when the monthly benefit amount has doubled. Information on COLAs can be found in Article 6.11 of the Plan Document. [This COLA information does not apply to retirees from the Pension Plan for Firefighters and Police Officers Pension Plan (Old Plan)].
