

Alexandria Locations Offering COVID-19 Vaccines and High-Dose Flu Shots

The table below is a list of local pharmacies and clinics with both COVID-19 vaccines and the high-dose flu vaccine for people 65 years and older. **Inventory is not guaranteed, so please call to check on availability of vaccine doses.** Pfizer is currently the only authorized COVID-19 booster —learn more about boosters [from the CDC](#) or call the COVID-19 Hotline at 703.746.4988.

COVID-19 shots are always free. Medicare Part B and most Medicare Advantage plans cover the high-dose flu shot at no cost. The flu shot prices below are for people who are uninsured.
