

## Are you known for funny, creative or compelling social posts?

**Make a difference in your community**

## Join the Public Health Influencers!

**Alexandria Health Department is seeking residents ages 14-29 to help stop the spread of COVID-19.**

Help us create health and safety messages that will inform and inspire young people in Alexandria to take precautions and follow guidelines related to COVID-19 (hand washing, use of hand sanitizer, physical distancing, mask usage).

- ✓ Spend 1-3 hours a week drafting content
- ✓ Spend 2 hours a month participating in a brainstorming session
- ✓ Work directly with City Communications professionals

**Gain work experience**
