

STOP THE SPREAD OF COVID-19

SHARED EQUIPMENT COULD SPREAD COVID-19

The safest way to avoid spreading COVID-19 is to:

- **Disinfect shared equipment between each use***
- **Wash your hands often or use hand sanitizer**
- **Maintain 10 feet of personal space**
- **Avoid gatherings of over 50 people**
- **Cover your mouth and nose with a mask or cloth face cover**

*The City of Alexandria is not able to disinfect playground equipment between uses.
