

# Spread Cheer, Alexandria!

Participating is easy and free,  
and everyone is invited!

## 1) Share messages that spread cheer, not the virus.

Tell your neighbors how you're helping to  
stop the spread of COVID-19:

- Stay Home
- Wash Hands Often
- Maintain 6 ft. of Physical Distance
- Cover Coughs and Sneezes
- Disinfect Surfaces
- Wear a Cloth Face Cover if You Have to Go Out

Or, thank essential workers for supporting our community.

## 2) Create and display messages:

- on signs in windows or yards
- using chalk on sidewalks or driveways
- with notes to workers on trash cans
- on decorated rocks in your yard

## 3) Post a photo of your message on social media with **#SpreadCheerALX**

Messages submitted with #SpreadCheerALX may be selected to be reproduced as signs for others to display. The City will request permission to reproduce messages in advance.

To request supplies for this project, email [arts@alexandriava.gov](mailto:arts@alexandriava.gov) or call 703.746.5592.
