2011 Art Exhibition

“ART UNITING PEOPLE”

A Celebration of Creativity and Mental Health

CALLING ALL ARTISTS!

This year the Anti-Stigma HOPE Campaign will celebrate National Mental Health Month through *“Art Uniting People - A Celebration of Creativity and Mental Health.”* This is an art exhibition dedicated to making a difference. It provides people whose lives have been affected by mental illness the opportunity to use art as a form of expression in order to engage the Alexandria community in a conversation about mental health issues.

All those touched by issues related to mental health and mental illness may enter— young and old. Artists are also invited to share the inspiration behind their art pieces and some of their personal story. For more information visit our website at: www.HealthierAlexandria.org/antistigma

Entry forms due **Monday, April 4**; art delivered for exhibition on **Thursday, April 28**.

SAVE THE DATE! Join former U.S. Representative, **Patrick J. Kennedy**, and the artists at an opening reception on Thursday, May 12, 6:30 - 8:30 p.m. at the Lee Center, 1108 Jefferson Street, Alexandria.
