

Building Communities through Gardening

A Workshop for Community Organizations

Interested in Gardens

Come and join us!

- Learn how to start & manage your organization's garden
- Plan for sustainability and create a plan that will work for your organization
- Learn about different gardening models and hear from other organizations in Alexandria & Arlington that have already been gardening
- Take home checklists and resources that will help you hit the ground running!

SAVE THE DATE!

Tuesday, October 18, 2011
8:30 a.m. until noon

Fairlington Community
Center
3308 S. Stafford Street
Arlington, VA 22206

Registration is FREE!
