

Community of Concern's "Conversations that Count"

Tuesday, April 17th, 2012

Francis C Hammond Cafeteria

6:30pm Light fare dinner

& 7pm Program start

The evening will be one of dialogue and education relating to underage drinking prevention, and include a presentation on the effects of alcohol on the adolescent brain.

Attendance and participation by both students and parents are essential to the success of this event. The Francis Hammond administration, PTA and the Substance Abuse Prevention Coalition of Alexandria urge each family to send their child and one parent to the meeting. Students will receive extra credit.
